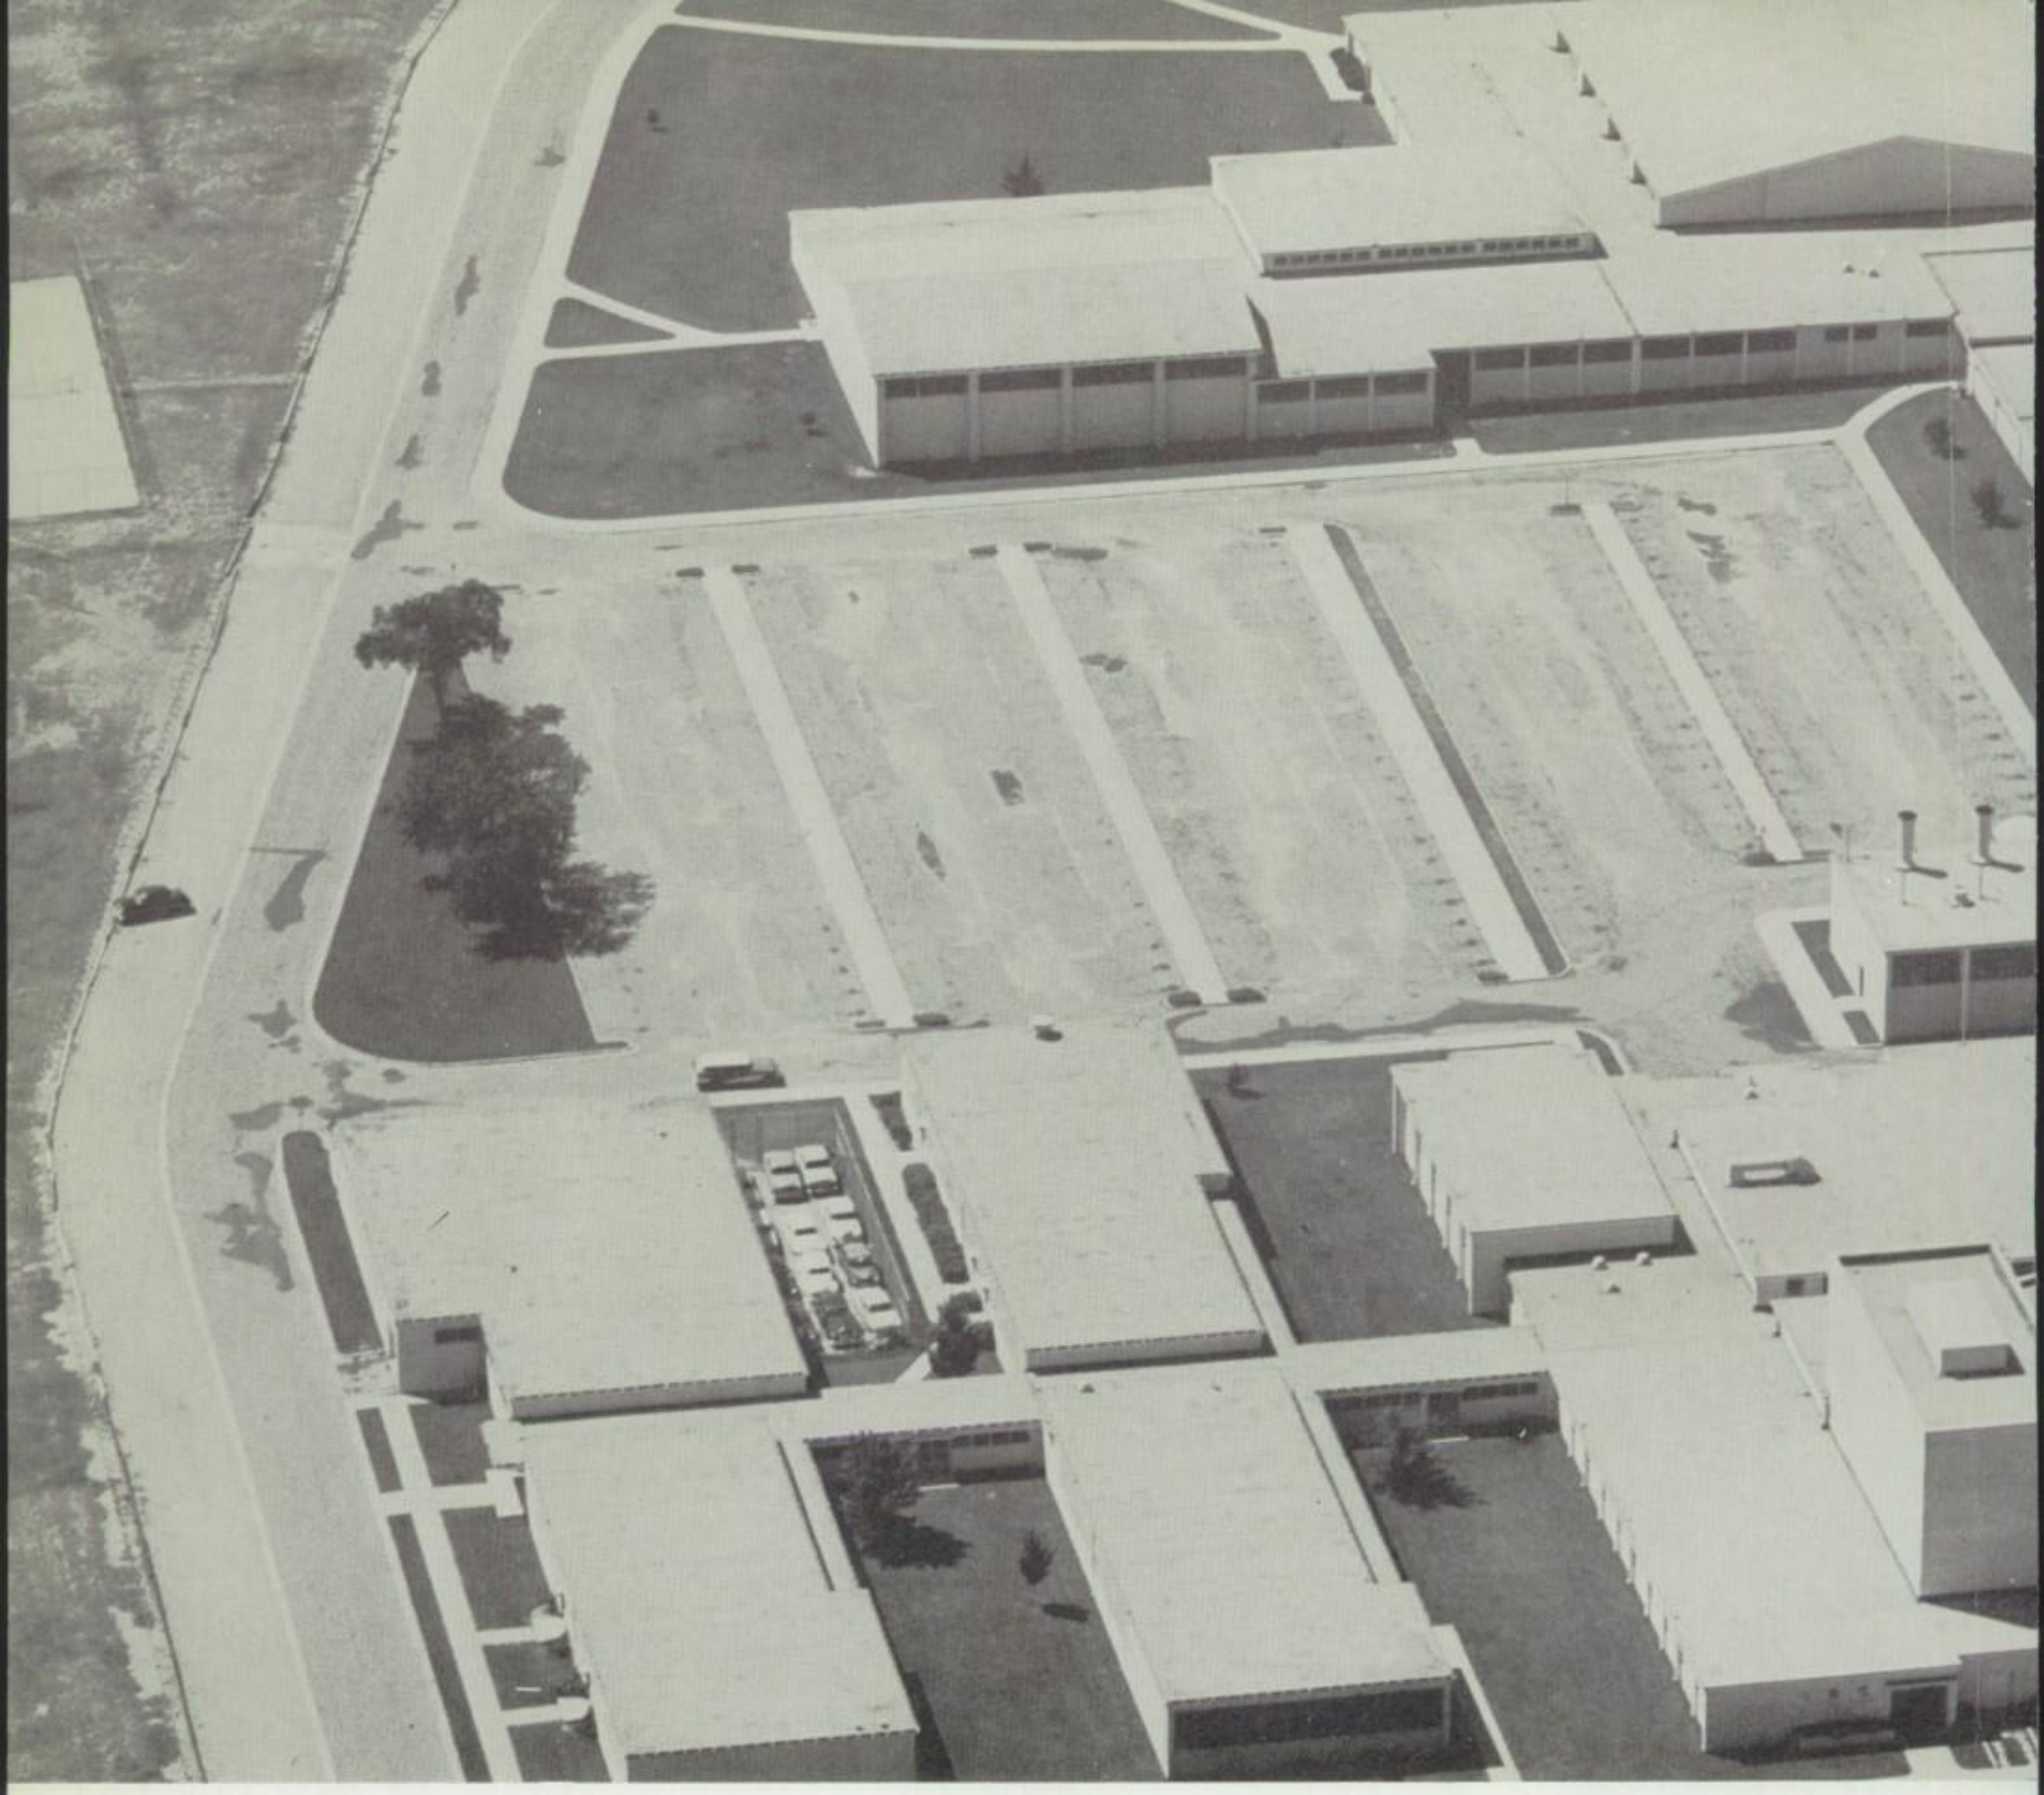
WICHITA HIGH SCHOOL WEST

WICHITA, KANSAS

Cover By:

DANIEL EDWARDS



FOREWARD

One hundred years ago the state to Kansas was created at the crossroads of the nation, with a great promise of progress yet to come. Now we see that this promise has been fulfilled.

We have seen progress in industry, in transportation, and in agriculture with the basic root of this forward look due to the educational system of the state. When Kansas first achieved statehood, education was restricted to the one-room school; far different from today's educational plant, contained in a multi-million dollar building and equipped to handle over a thousand students.

At the end of one hundred years, we stand at a crossroads with many choices before us, but no matter which we choose, progress is inevitable.

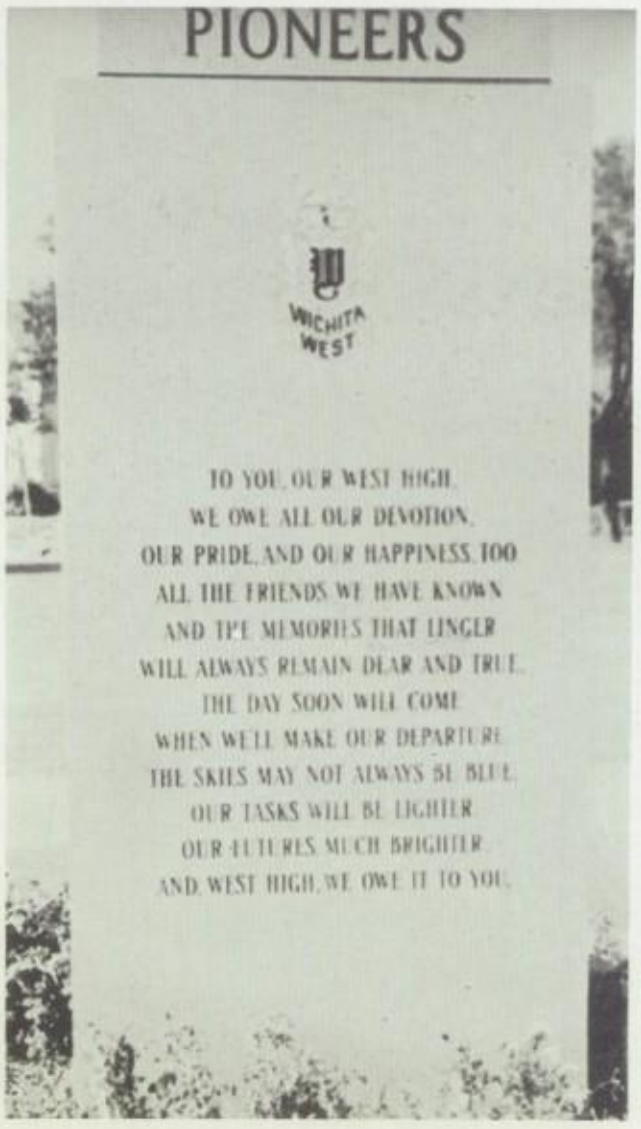
Warm fall and spring days bring the three staccato buzzes of the fire alarm bell and students pour forth from every classroom in the building in record time. After the all-clear is sounded, everyone wistfully returns to class, thinking that in such nice weather, it would be much more pleasant to have a little longer break during class.

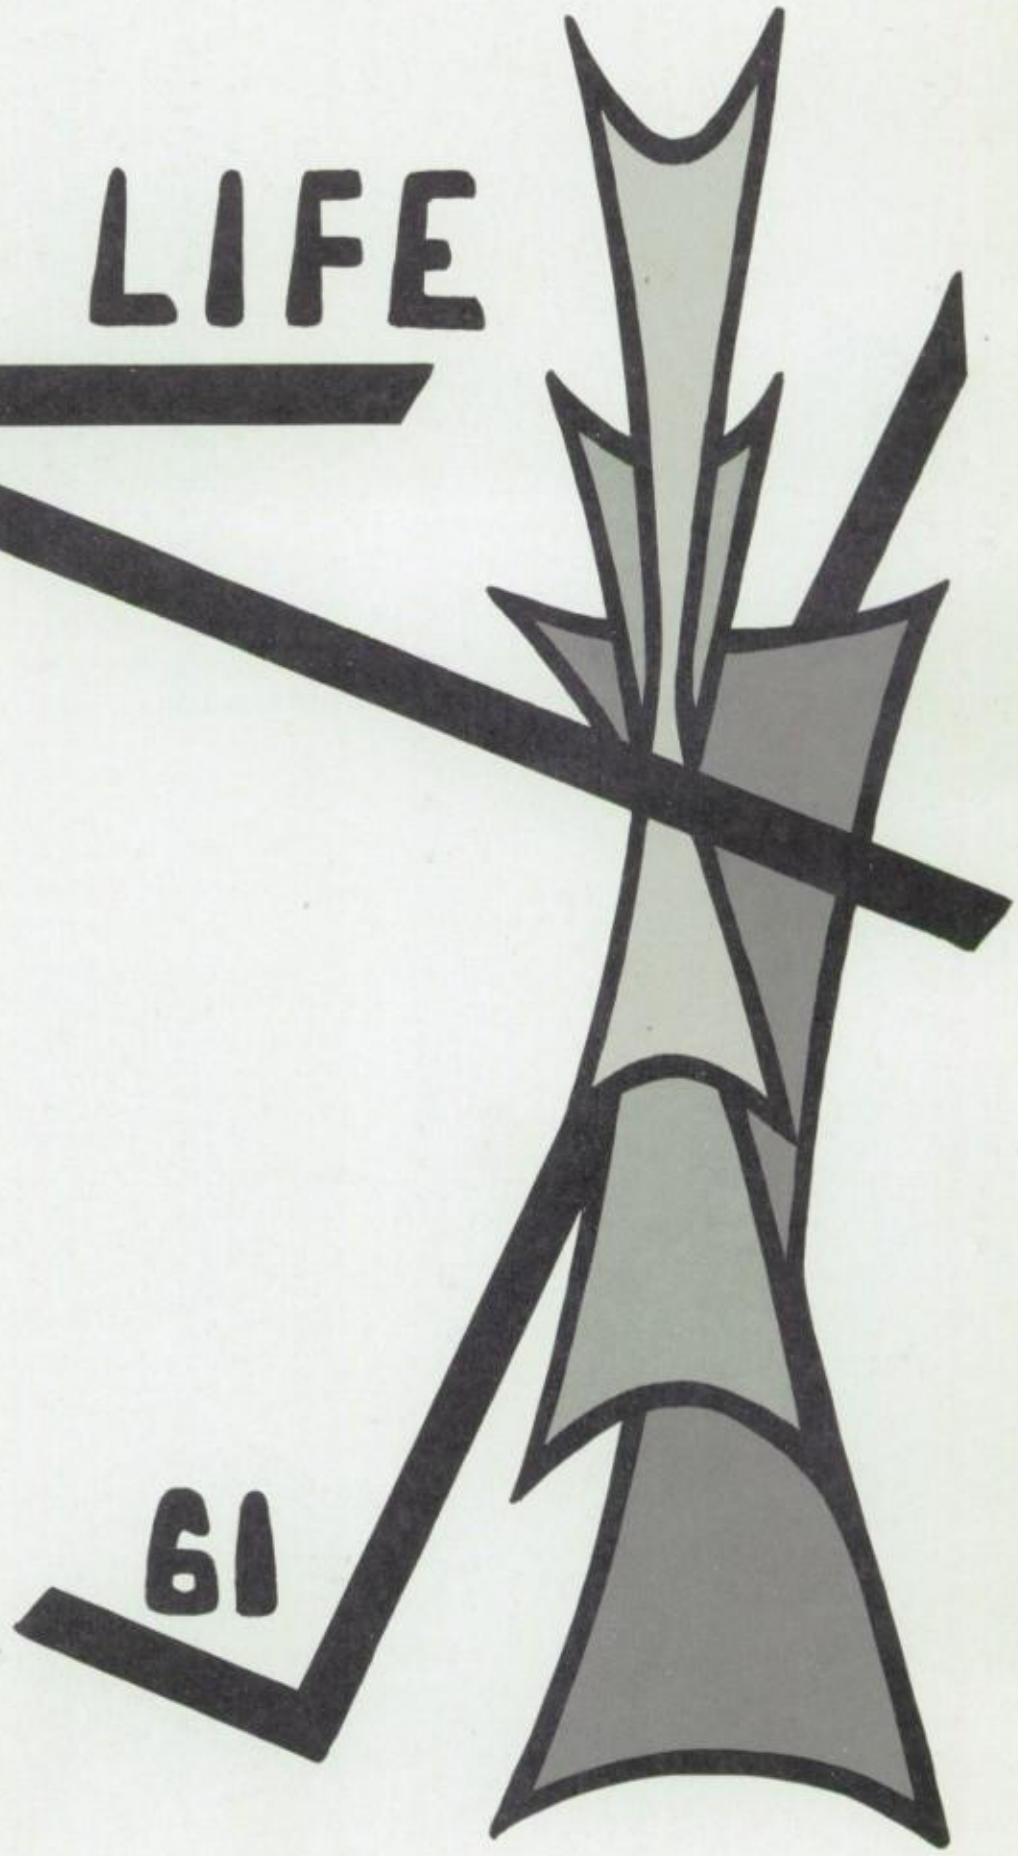
The Alma Mater, usually sung at all basketball games and several assemblies, is carved in the marble slab in front of the Auditorium as a constant reminder of the loyalty which Pioneers feel for their school.



PIONEERS
WICHITA WEST
TO YOU, OUR WEST HIGH,
WE OWE ALL OUR DEVOTION,
OUR PRIDE, AND OUR HAPPINESS, TOO
ALL THE FRIENDS WE HAVE KNOWN
AND THE MEMORIES THAT LINGER
WILL ALWAYS REMAIN DEAR AND TRUE.
THE DAY SOON WILL COME
WHEN WE'LL MAKE OUR DEPARTURE
THE SKIES MAY NOT ALWAYS BE BLUE,
OUR TASKS WILL BE LIGHTER
OUR FUTURES MUCH BRIGHTER
AND WEST HIGH, WE OWE IT TO YOU.

Depicting the theme of Pioneers is the school crest showing the old-time covered wagons as they move out toward the west.

SCHOOL LIFE



Christmas always brings a rash of activities as everyone gets in the spirit and the West High Halls are transformed into a wonderland of color and bustle. Caroling French Christmas songs in the hall is an annual activity of French Club members.

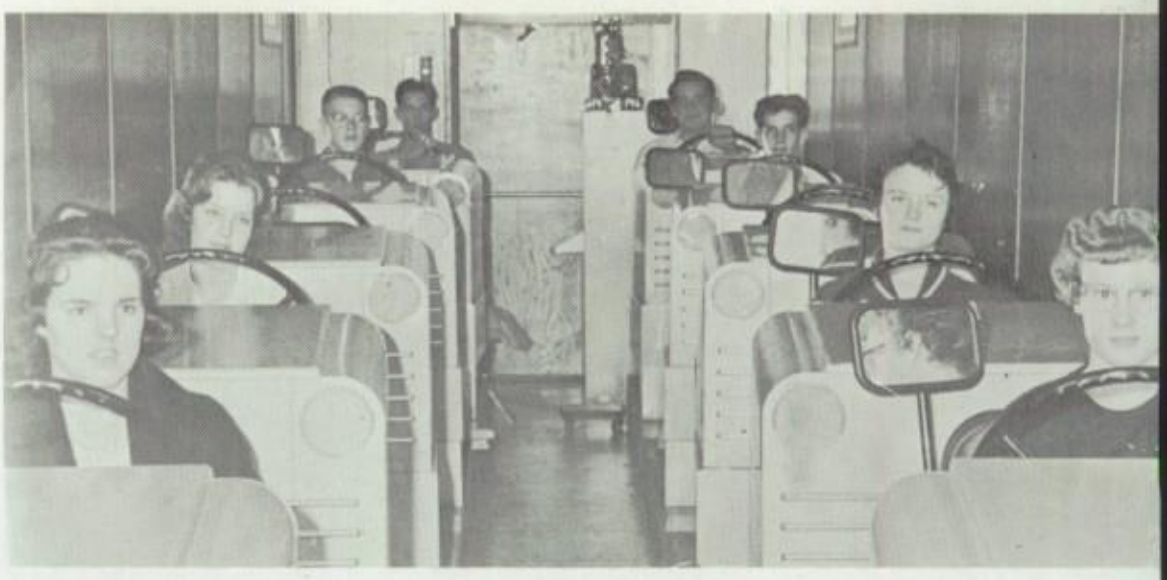
Girls of the homemaking classes annually have a Christmas coffee for faculty members, serving flaming minced pie as a highlight of the menu. Mr. Glen Hamilton, principal, is on his way to join with the other administrators and teachers at this much anticipated event.

The lighted tree in the Auditorium foyer is always a cheery sight as the bubble lights dance and the angel hair lends its frothy quality to West's Christmas. Members of Student Council worked diligently to decorate the tree this year.

Preparing decorations for a Jr. Red Cross project are Marilyn Ferguson and Sharon Smith.

One of the highlights at the Christmas season is the "Singing Christmas Tree" of the choir. A special part of each Christmas assembly program, this "tree" is always a treat to the student body.

Students in Drivers' Education this year were introduced to the new Driv-O-Trainer unit in which they were taught on-the-spot techniques of driving a car without actually moving an inch down the street. After this initial introduction to driving was finished, they were able to drive the "real" driver education car.



Going to the dentist is always a distasteful event to little children, but West students are more fortunate since the dentist comes to them in the annual dental check-ups conducted by the school nurse.

A new aspect to girls' physical education this year was the addition of "camping." Here several girls watch intently as the stew gets the finishing touches on the open fire.

Hardly a month goes by during the school year without some kind of test being conducted by the Guidance Center. These tests range from aptitude to college entrance exams.

West's halls are usually crowded from wall to wall with students passing from class to class or going to or from assembly. Here, the sober faces of the students reflect the serious charge which Lt. Commander Geoge Hamilton gave to the students at an all - school assembly.

In sharp contrast to the usually crowed halls is the almost-empty one during class time. Only a few people can be seen in the corridors during class hours, but the posters on the walls are a constant reminder to teachers and visitors that West is a school made up of happy, thoughtful, and energetic students.

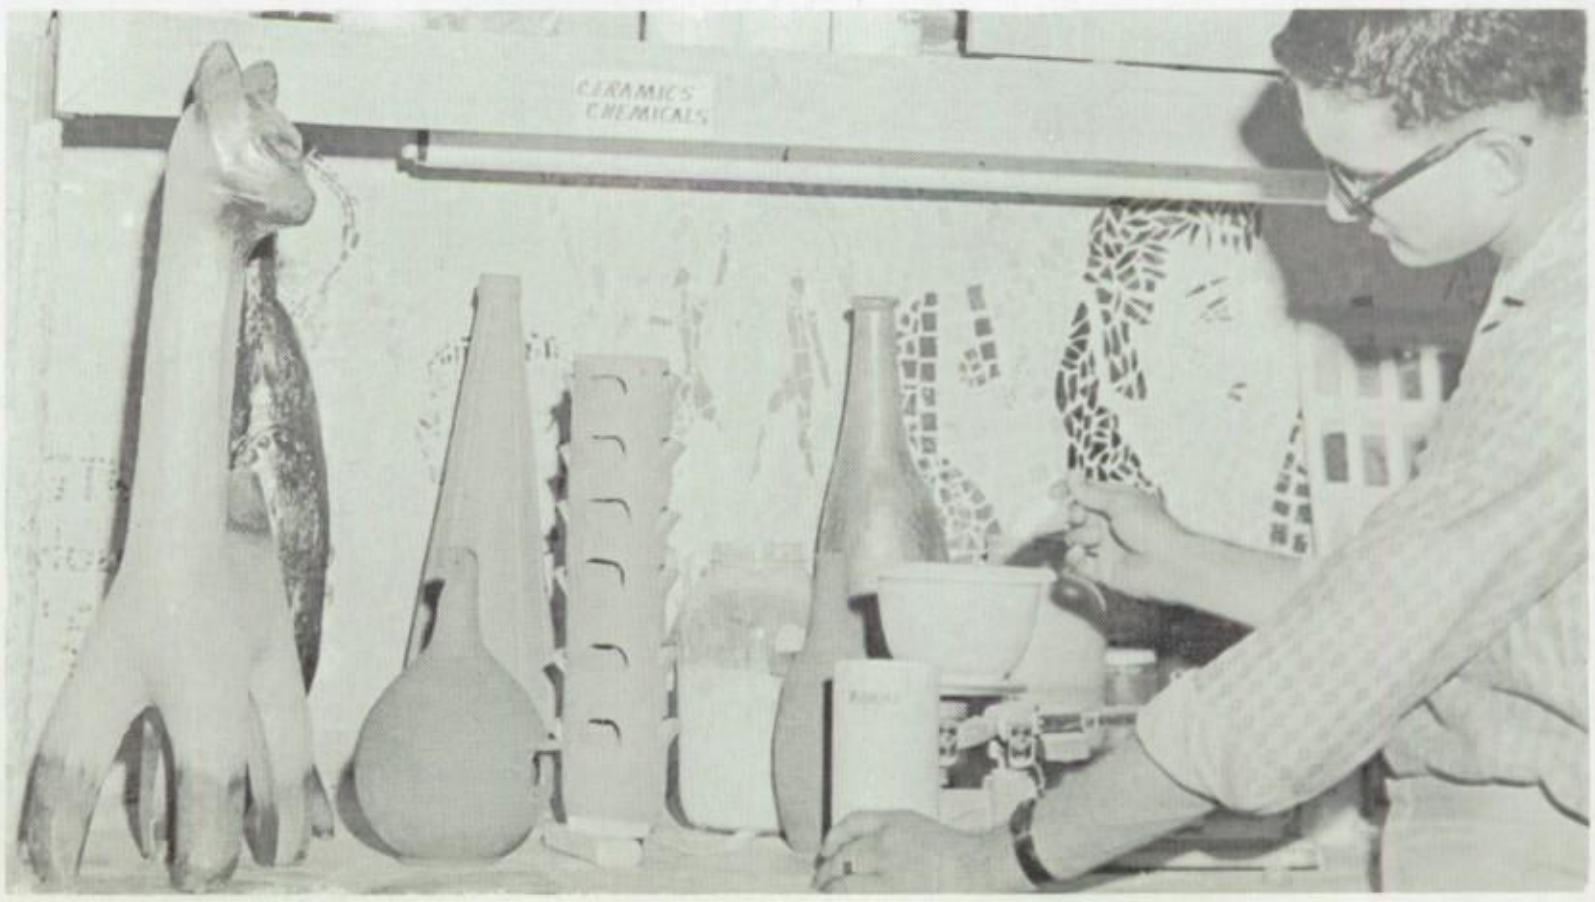
Typical of the sports seasons are the booster banners which hang in the halls. This year the banners showed much initiative and hard work as they stretched from corridor to corridor. The main source of "copy" for them was advertisements cut from magazines and the ingenuity of a few enterprising people. Here, Gloria McLaughlin and Dwight Sutton plan where to put the right sayings in a banner to boost Trail sales.

Each fall the photographer comes to school for a week to take individual pictures of all sophomores and juniors. Here, Larry Blythe poses for Mr. Noel Wood, official school photographer.

Experimentation is one of the most fun and important aspects of chemistry class. Jim Walker, Herbert Wiley, and Merwin Brown work hard to make sure that they don't come out with the wrong reaction.

Every two weeks the West Word comes out at noon, and although not previously announced, the word soon spreads so that there is always a crowd waiting to get the bi-weekly publication.

Figures and vases are being carefully checked in preparation for the annual art display. All of the pieces completed in ceramics class are original in design and thought.



A new club at West this year was Chess Club. At each meeting the members bring their chess sets and then pit their individual skills against the other club members.

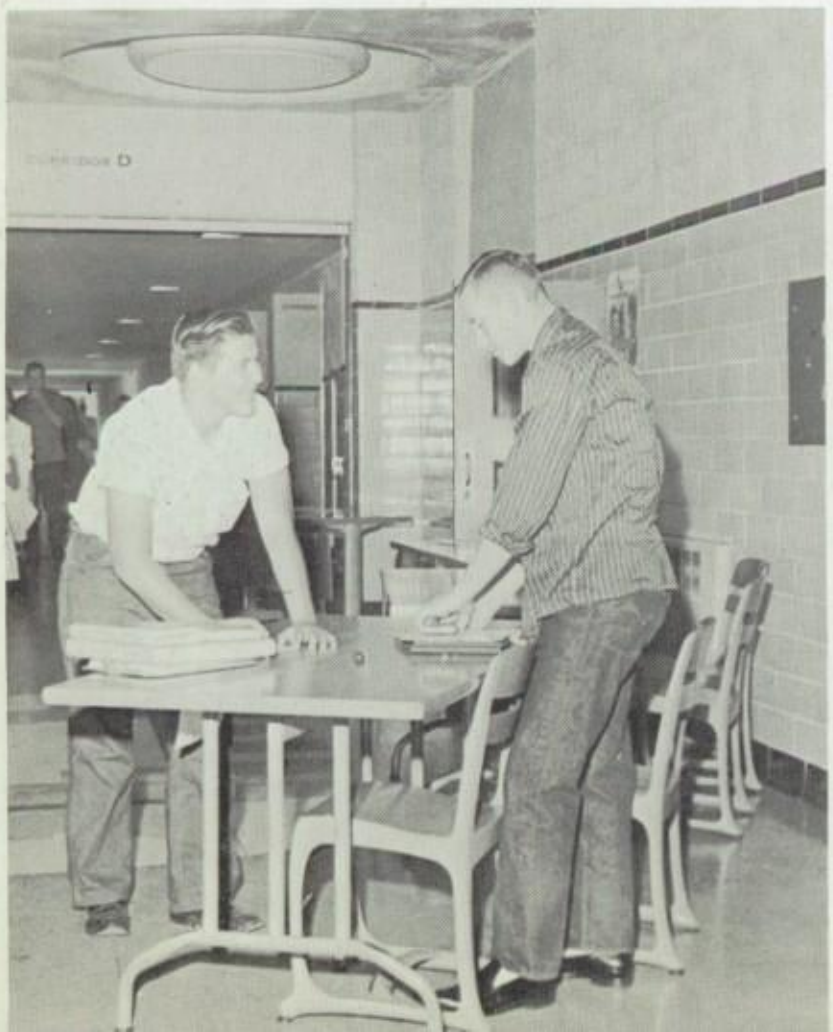
Animal dissection is one way that members of the biology class can see what their book talks about. Jonette Fulzenloger, Janice Froelich don't seem to be enjoying the cat dissection which Jeff Mattix is doing.

Girls in the sewing classes displayed some of their finished products in the showcase at K & E corridors. Through this display they also learned techniques in presenting a showcase window.

Getting valuable training in auto mechanics is one of the major features of this course where class members spend the semester working on the various parts of a car. From first glance of this picture, it appears that the car is getting the best of the student, but in reality, the student conquered the problem.

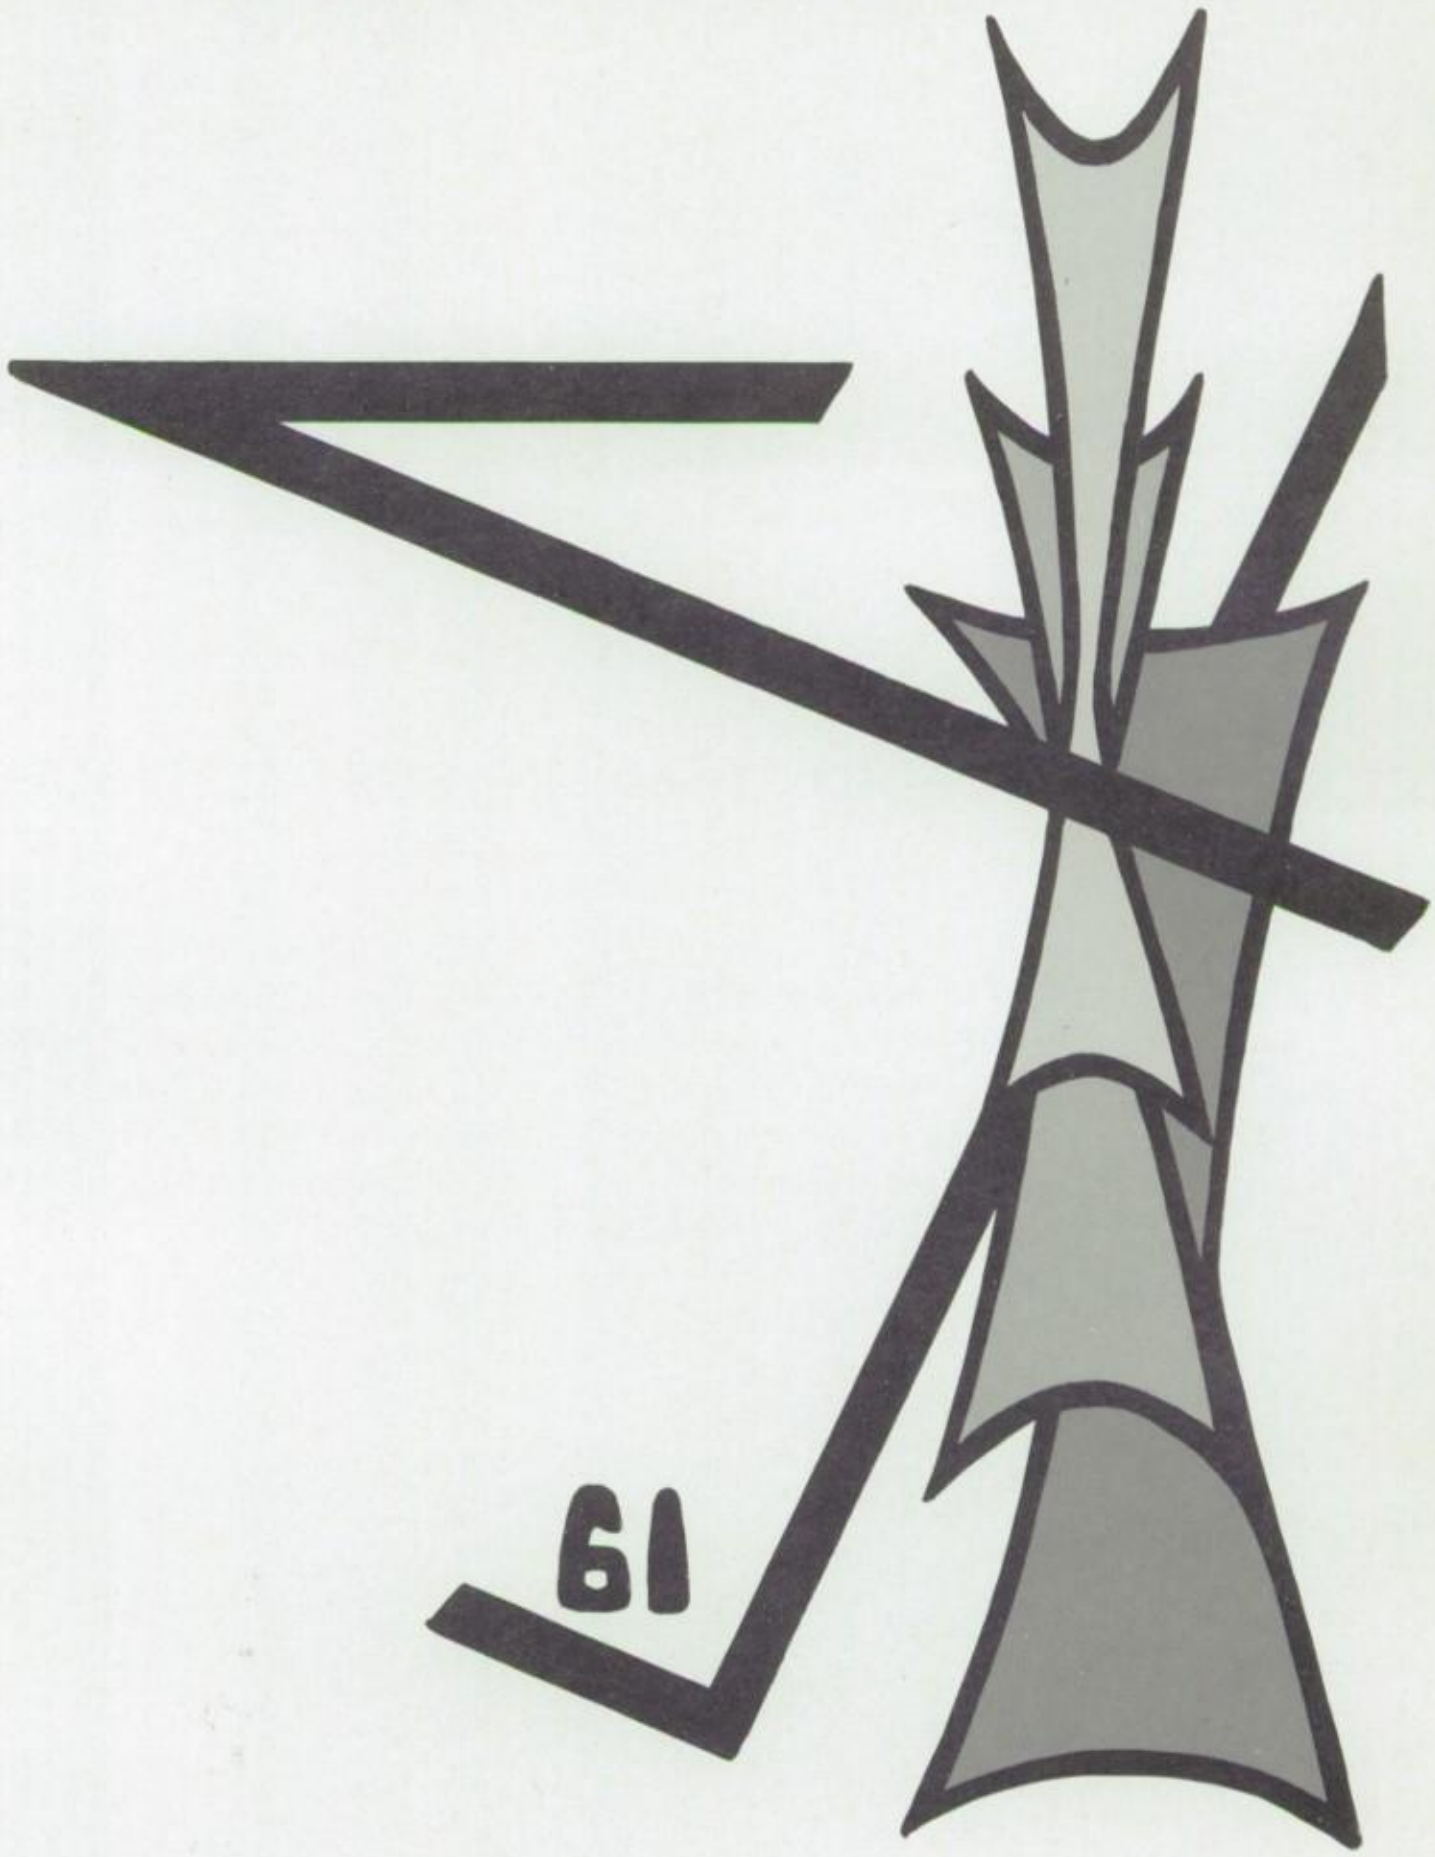
Students often give up their study hall hours to work in the general office, in departmental offices, and in the Guidance Center. Mr. Harold Froning, senior counselor, explains some material to the GC helpers. They are, sitting: Karen Gregory, Carol Welch, Pamela Horsnell, Loretta Koehn, Marsha Ball, Mary Beth Long, Barbara Byington, Lois Kimble, and Sandra Harris. Standing: Janice Edwards, Carolyn Ellerman, Gloria Dwyer, Mr. Froning, Phil Tucker, Janet Van-Y, and Barbara Hummelke.

At the beginning of each semester Gold and Maroon day clubs conduct an enrollment period. Joe Spaulding and Harold Wylie discuss the attributes of joining a club.



Students who take business courses learn the techniques of using various kinds of business machines. One cannot walk down E Corridor any time during the day without also hearing the accompanying clackity-clack of the typewriters.

ADMINISTRATION



GLEN K. HAMILTON
Principal

Mr. Hamilton helped boost Activity Ticket sales last fall by playing the organ for members of the Choir.

WEST'S PRINCIPAL FINDS TIME FOR BUSY SCHEDULE, ACTIVITIES

In his work at West, he has seen several changes around school, including enrollment fluctuations, test for Superior and Talented Students, and registration of cars for the parking lot. Under the heading of general administration, Mr. Hamilton coordinates the work of teachers, does public relations, hires teachers, works with the Board of Education and P.T.A., and lends a helping hand to students when necessary.

Glen K. Hamilton came to West four years ago from North where he was vice principal. He and his wife have two married sons and three grand-children. Mr. Hamilton's favorite pastime is playing the organ, and although his only lessons consist of one year of piano, he plays some of his favorite songs, such as "Tennessee Waltz," "Someday," and "Alleghenie Moon," with talent and polish.

Mr. Hamilton, Mr. Dye, and Mr. Dorsey watch with interest the folding machine fold programs for the fall play, "The Diary of Anne Frank."

JAMES T. DYE
Vice Principal

WILBUR C. DORSEY
Assistant Principal

ADMINISTRATIVE ASSISTANTS, COUNSELORS GUIDE STUDENTS

James T. Dye, along with his wife and three children enjoy gardening and sports as family hobbies. "Little Bit," their small black dog, takes up much of their time, as they also raise miniature poodles.

Mr. Dye has been at West ever since it opened eight years ago. He concerns himself with the problem of carrying out the rules and regulations of the school, organizing the master schedule, and helping teachers and students alike with problems, both large and small. He feels that the school spirit shown by the students in sportsmanship, attendance and games, and all-around interest is "quite outstanding."

Wilbur C. Dorsey, assistant principal, has been at West for five years. Some of his hobbies include music, sports of all kinds, and vacations. In his years at West, Mr. Dorsey has been busy with numerous duties, such as school attendance supervision, book rental, the budget, school and club activities, and office management. He attends most of the games and considers the school spirit shown by the students "the best in town."

HAROLD FRONING
Senior Counselor

CLARICE BEAVER
Junior Counselor

VICTOR WILMOTH
Sophomore Counselor

Three of the busiest people around West High are the counselors. Together they see an average of sixty people per day for conference periods. This is not, however, their only job. They also see numerous parents and teachers, and make many telephone calls. They are in charge of student enrollment, intellectual, interest, and achievement tests, scholarships, Career Day, and College Night.

At Christmas time there is a party held for the faculty by the Home Economics Department. This is an annual event enjoyed by the girls and the faculty.

What makes a school? The building, certainly, the students, and the administration, but one of the most important parts of the school is the faculty. Everyone knows the teachers' classroom job of teaching, but few are aware of how many other activities and jobs in which they are involved. Each teacher

It isn't a major operation; the members of the Auto Mechanics class are just fixing a car. For two hours each day these boys perform various tasks on cars to get them back in working order.

Something new at West is the Language Laboratory in F 15. The "lab" makes learning a foreign language easier and a lot more personal. Purchased through the National Defense Education Act, the language lab was used for the first time in the city high schools this year. Shown using the equipment is Miss Kathryn Hughes, Spanish teacher.

SPECIAL SERVICES COORDINATE

A very busy person is the nurse, Mrs. Marjorie Curry. An average of 25 students visit her health room each day. During the year all of the students have their teeth checked. Some of the sophomores have their eyes and ears checked; the juniors have their eyes tested; and the seniors receive T.B. tests. All of these checks are given or supervised by the nurse.

One group of personnel around West which the students seldom think of is the Special Services Division. Included in this category are the librarians and office help. The librarians are in charge of the approximately 11,000 books and numerous other materials in the Library.

The office staff handles clerical work, telephone calls, filing, records, and the overwhelming detail work which accompanies a large, modern school.

Custodians, engineers, and cafeteria help are the people who work behind the scenes to keep West a comfortable and well run building.

The custodians face a never-ending job of attempting to keep the halls and rooms clean and sparkling, in addition to doing repair work during the school year and the summer months.

Keeping the building warm and comfortable during the long winter months and cool in the hot fall and spring months are the tasks of the engineers.

Preparing food on a large-scale basis to look appetizing and to be healthful is the tremendous task of the cafeteria help.

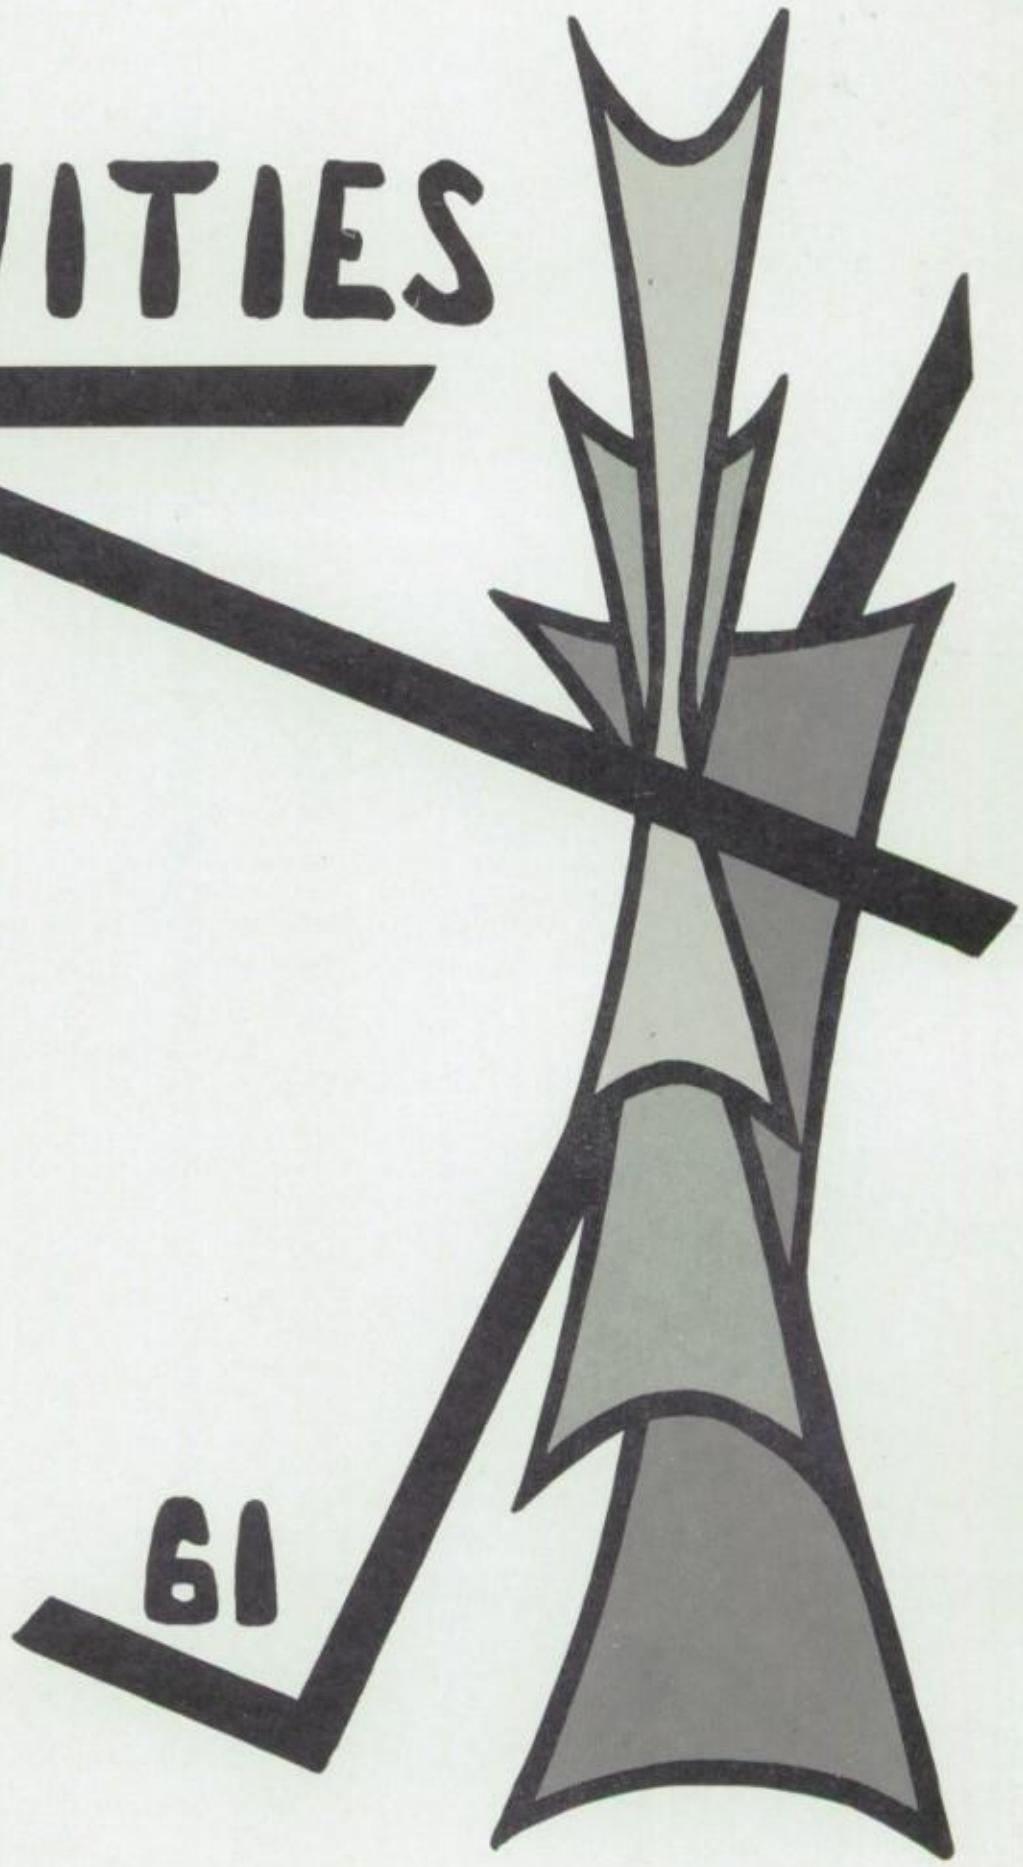
ACTIVITIES



Photographer Doug Higbee carefully adjusts the enlarger in preparation for printing a picture.

Joyce Morgan and LaQueta Marshall, Trail editors, studiously look over plans for this year's book.

Mrs. Betty Harrell, adviser, gives a last-minute check to yearbook copy before sending it to the printer.

YEARBOOK TAKES HOURS OF PLANNING

Scanning numerous pictures for the activity section is one of the hard, yet fun, tasks of Dwight Sutton's.

John Kelly, photographer, uses the contact printer to see which pictures are good.

Putting together a yearbook is a major planning task from the moment school begins in the fall to the last minute when final copy and paste-ups are taken to the printer.

The first step in production is deciding upon a theme and the kind of lay-out which will carry out this theme with pictures of student activities. After this decision is reached, the staff is in full-swing production and individual student pictures are taken.

A common cry around F2 is, "I need a picture," and the photographers are in business. Then comes time to write the copy and put the finishing touches on each page lay-out so that the Trail becomes a "memory" book of the school year.

Don Blevins, copy editor; Mike Bainum, sports editor; and Donna Janssen, picture editor, plan together one of the pages in the sports section.

Judy Phipps, Vicki Drake, and Gloria McLaughlin work with the seemingly endless task of cutting, matching, and pasting up the individual pictures in the student section.

Second hour staff members, Sherry Osborne, Susan Farha, and Marty Wilson get tickled over articles in "The Wagon Tongue."

Mrs. Betty Harrell, adviser, and Harley Catlin, sports editor, discuss possibilities for a sports feature.

WEST WORD

Sports editor Jerry Thornton looks over the lay-out of the Wichita Eagle-Beacon for ideas.

Mailing out over 200 newspapers to other high schools in the country after each issue of the West Word seems to be a pleasant task for Judy Mason and Linda Gilmore.

Meeting a deadline every two weeks in order to put out a West Word is the never-ending job of the 14 members of the newspaper staff.

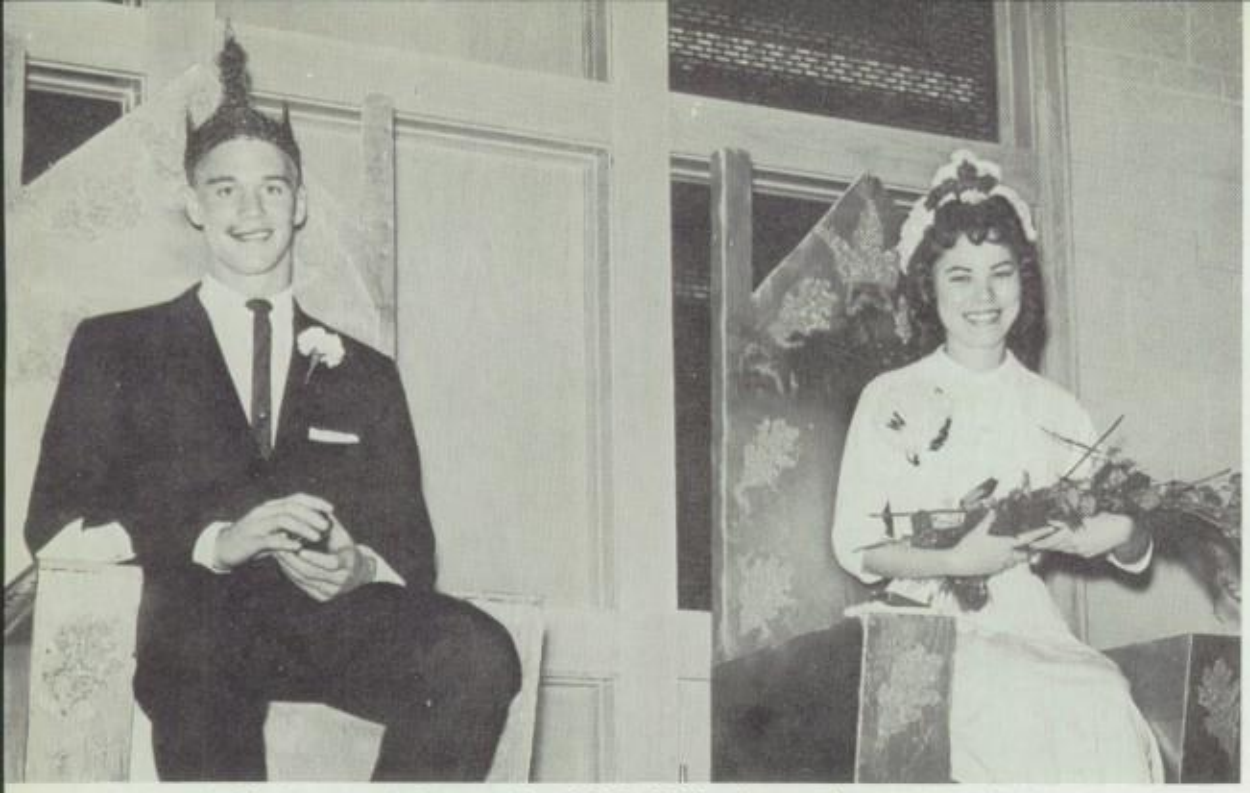
A typical week in the life of the school reporter consists of receiving assignments, gathering facts, and then writing a story, checking to see that each detail is mentioned. Then come the galley proofs from the printer to be proofread and pasted up the way that the newspaper is to look. Headlines are written and page proofs are carefully checked for those last-minute changes and the newspaper is finally "put to bed" before the next week begins a new issue and a new round of the same activities.

Taking apart and cleaning the press camera seems to be serious business to John Kelly and Doug Higbee.

Vickie Drake, business manager, checks over the number of inches of ads ready for an issue.

News-page co-editors, Bentena Miller and Ralph Jimenex discuss assignments for their next issue.

Helping out wherever she is needed, Helen Louise Hummelke, editor, looks up from typing a story.



Football King and Queen for 1960-1961, Jerry Thornton and Mary Ishikawa, reign over the "Football Frolic."

Bill Strout's band provides enjoyable music for the dancers.

CAFETERIA SCENE OF "FOOTBALL FROLIC"

Junior attendants, LeRoy Ferman, Beverly Call, Jerry Watson, Mary Johnson, and senior attendants, Ron Johnson, Kay Hogan, Harley Catlin, Peggy Thomason, pose with their King and Queen.

Over three hundred West High students attended the "Football Frolic," annual football dance sponsored by Pep Club, November 12.

Mary Ishikawa and Jerry Thornton were crowned Queen and King by head football coach, Eddie Kriwiel. The royalty were presented with gifts and then reigned over the dance from their thrones.

Those who attended enjoyed the music of Bill Strout's band in a cafeteria decorated with megaphones, footballs, and miniature pom-poms.

King Jerry and Queen Mary dance before their subjects.

Decorated with glittered footballs the cafeteria was the scene of the "Football Frolic."

Marilyn Ferguson smiles radiantly after being crowned Miss Santa of 1960.

MARILYN FERGUSON REIGNS AS MISS SANTA

December 17 was the date of the "SNOW BALL," the annual Christmas dance sponsored by the senior class. Those who attended danced to the music of Flloyd LePorin's band. Decorated with a false ceiling of ice blue and white crepe paper and hung with balloons, the cafeteria was transformed into a festive "ballroom." The highlight of the evening was the selection of Miss Santa from fourteen lovely contestants. After parading in shorts and sweaters, and formals, and being interviewed by the judges, Marilyn Ferguson was selected as Miss Santa of 1960.

The fourteen Miss Santa contestants line up in the hall as they await the judging.

With tears in her eyes, Miss Santa joins the dancers after her coronation.

CLUBS OFFER LINGUISTIC CHALLENGES

If a student is studying French or has studied French or wants to learn more about the languages and customs of France, he should join FRENCH CLUB. As they say, "Mous aimons beaucoup la langage de Francais." "Le Banqet de Francais" is the high point of the year when the "Prix d'Honneur" is awarded to the top first and second year students.

Some people say that Latin is a dead language, but the members of LATIN CLUB say, "Lingua Latina est magna bona lingua et emamus eam," and they are trying to prove it. Members meet to practice the language and study the customs and society of ancient Rome. At the end of the year they hold a Roman banquet for all Latin students.

Many students at West High study Spanish, and many of these join SPANISH CLUB, where they pursue their interests even further. As they put it: "La lingua de Espanol es muy interesante. Aprendemos los costumbres y la historia de los Espanoles."

PROFESSIONS FORM CLUB BACKGROUNDS

After being associated with teachers from ten to twelve years of their lives, some students have decided to join the ranks of this profession. These students join together in FUTURE TEACHERS CLUB to study this interesting occupation and to prepare themselves for activity in the field of teaching. Various speakers give the members inside information on education.

Members of OFFICE PRACTICE CLUB are the only students at West who begin classes at 8:00 a.m. The students attend school for half a day, where they study the use of business machines. The remainder of the day they work in the offices of local businesses. Much of the year is spent in preparing for a convention where awards are given for proficiency in various business fields.

As the name implies, the members of FUTURE MEDICAL CAREERS are interested in making their future careers in the field of medicine. They take field trips and hear guest speakers in an attempt to learn more about the activities and job opportunities in their chosen field.

Organizing and coordinating the various activities and business of the student body is a never-ending task, and the STUDENT COUNCIL has been busy on this all year. The members of this group were elected by the students in the fall of the year. The class presidents are automatically members of the Council and the executive committee. This year the council initiated the outdoor pep rally, and initiated a new school flag.

BIBLE CLUB is open to any student in West High who is interested in learning more about the Bible. The 84 members attempt to promote an atmosphere of Christian fellowship in the school, on the campus, and in the community; to reach those teenagers who don't go to church; and to encourage students to be active in their own church's activities. The club meets every other week to hear guest speakers on inspirational topics, to sing hymns, and to study the Bible.

THESPIANS BENEFIT WEST WITH ACTIVITIES

Dramatic arts are an important part of the activities around West, and the group encouraging them is the NATIONAL THESPIAN SOCIETY. The Thespians were organized in 1954 and have been busy ever since. Interested students may become members by working a total of one hundred hours on extra-curricular dramatics. Each spring, club members finish out the year with a dramatics awards banquet, during which awards are given to the best actor, actress, supporting actor, and supporting actress. These winners are chosen by a vote of the Thespians and dramatics classes.

Y-TEENS are a branch of the Y.W.C.A. at West. The girls spend their time on many service projects in the community. This year they produced the school's Thanksgiving assembly, aided in the Christmas "Operation Holiday," sponsored their annual Sock Hop, and with Junior Red Cross, sponsored a school in Tennessee.

High standards of Christian character are the purpose of the members of HI-Y as they live up to their motto of "Clean speech, clean sports, clean scholarship, and clean living." To this end they participate in service projects, study the lives of great men, and participate in organized sports.

As such, they continue the charitable services of their parent organization and work on other service projects of their own, such as parties for orphanages, Project Holiday, aiding Y-Teens with the Sneedsville, Tennessee, school, and visiting care homes.

Science is an important occupation in the future of our country, and the students at West who are interested in this field join SCIENCE CLUB. Here they work on projects for the Science Fair and go on field trips to various industries where they see industrial processes and learn about job opportunities.

The objects of CHESS CLUB are simple; to provide tournaments and competition for chess players, and to provide instruction for beginners. A fairly new club at West, it has enjoyed phenominal success, becoming one of the largest clubs in school this year.

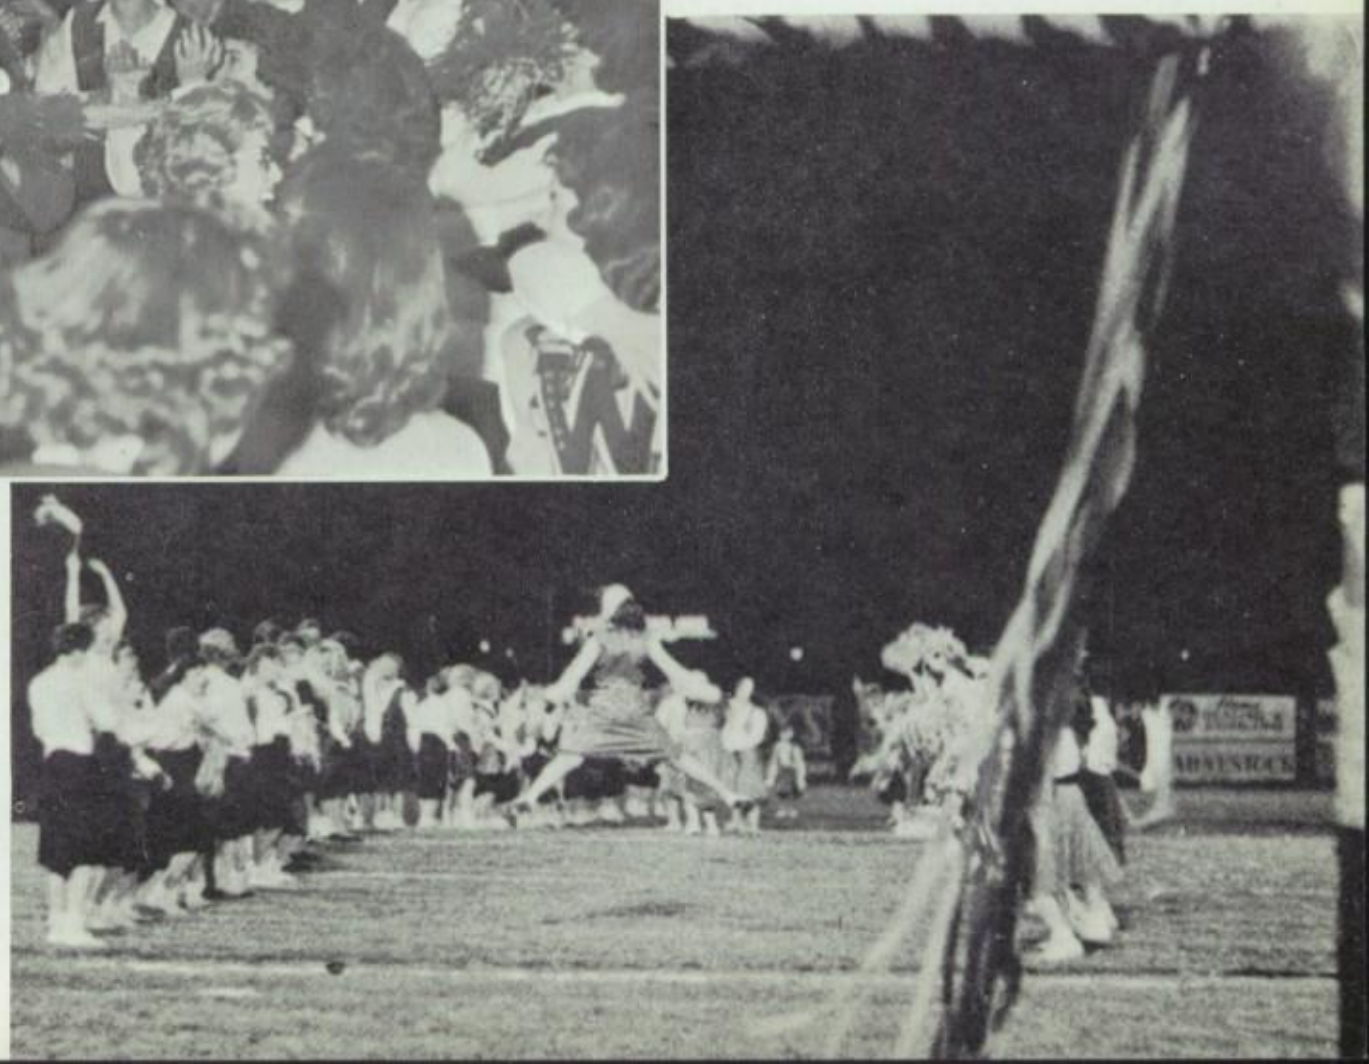
Members of the Pep Club gather in the West High parking lot for the first outdoor pep rally in West's history.

PEP CLUB IS SCHOOL'S LARGEST

Approximately 250 members strong, the Pep Club of West is the largest club in the school. A very active group, the girls donned new uniforms this year and sponsored many school events, among which were the annual football dance. In April they also sponsored a square dance and box supper. Under new leadership, the Cabinet Council inaugerated a point system which limited membership to those who were extremely interested in promoting school spirit. West again had the only pep club in the city to use flash cards at home basketball games.

Pandemonium reigned in the West High gym after West's upset victory over North High.



While waiting for the football team to come from the locker room, West's cheerleaders lead the Pep Club in yells.

Sports are an important extra-curricular activity at West and the boys who letter in any sport are invited to join LETTERMEN'S CLUB. Members attempt to promote friendly, cooperative attitudes toward each other and toward the school, and to provide each letterman a chance for leadership. The club was organized in 1954. This year the boys raised money for a movie camera to be used for all sports at West and also contributed to Red Cross.

Usually sports are thought of as a boy's field, but there is one group of girls around West who are out to prove differently, and they are the LETTERWOMEN. These girls earn points in after-school sports by staying one hour after school, participating in Sports Days, and taking tests. When they have earned 500 points, they are awarded a letter and become members of Letterwomen's Club.

ARCHERY CLUB is new at West, being formed only last year. Due to bad weather, the club was not as active during the winter as the members wanted to be, but during the spring they were on the archery range three nights a week. At their meetings they discussed archery and its equipment, and saw films on various aspects of the sport.

Mr. Frank welcomes the Van Danns to the "secret annex."

Students of West presented the Pulitzer Prize winning play, "The Diary of Anne Frank" as their fall selection. Under the direction of Mrs. Betty Ince, this moving drama of Jews in Nazi-occupied Holland was one of the most difficult productions ever attempted on the West High stage. After tryouts during the third week of school, the crew and the cast settled down to six weeks of hard work. The production was presented the nights of October 28-29 to large and appreciative audiences.

Make-up is a necessary part of every stage production. Here, Curtis Parker and Cathy Neff are getting the finishing touches applied to theirs.

Toasting for the Hannukah feast is practiced by cast members during rehearsal.

After working hard, Mouschi, the cat, rests on a table during a break in rehearsals.

Members of the cast, David Anderson, Mike Bainum, Sonja Ellis, Dwight Sutton, Judy Phipps, John Nance, Judy Mason, Don Blevins, Curtis Parker, and Barbara Byington take a curtain call after a successful performance of "The Imaginary Invalid."

SENIORS PRESENT "THE IMAGINARY INVALID"

Sonja Ellis as Angelique speaks earnestly to Don Blevins, playing her lover, Cleante.

Toinette, the maid, played by Judy Phipps, teases Argan, during a scene from the senior class play.

The Imaginary Invalid, Argan, played by John Nance, is taken in by a trick played on him by his youngest daughter, Louison, played by Barbara Byington.

Molier's "The Imaginary Invalid" was the choice of the class of '61 for their senior play. A rolicking comedy and satire, written in the seventeenth century, concerned the imagined illnesses of a chronic invalid who eventually becomes a doctor to cure himself. February 2 and 3 were the dates the seniors picked to present their performance of the first "period" play presented at West.

Dana Winkler, Dan Bowen, Eddie Wieppert, Norman Morrow, Marvin Manlove, and Leroy Ferman as toy soldiers awaken Virginia, played by Nancy McCune, during the opening of "Fantoysia."

"Deep in the Heart of Texas" was the song of the junior Hi-Larks - Beverly Call, Evelyn Tarpy, Karen Knox, Suzanne Hoover, Marcia Browning, and Janice Edwards in the junior assembly.

CLASSES ENTERTAIN WITH ASSEMBLIES

"THE CASE OF THE MISSING CRUMB" was the title of the assembly presented by the class of 1963. This was a satire on the popular "Perry Mason" television show, interspersed with individual acts. The show was entirely written and produced by the sophomore class with the guidance of their class sponsors.

Class assemblies are a high point in any school year. The class of 1962 had the honor of presenting the first one this year with their ideas of "FANTOYSIA." The juniors made the toys in a small girl's nursery come to life with music, dancing, and entertainment for the student body.

Suzie Simmons pantomines "I Want to be Loved by You," as Leroy Ferman attempts to evade her affections.

A modern dance interlude in "The Case of the Missing Crumb" was presented by Andy Corner, Jan Grobe, Dana Fankhauser, and Susan Little .

Susan Mobley kicks up her heels in a can-can dance for the sophomore assembly.

WEST CHOIR ENTERTAINS WITH TRADITIONS

To be chosen for membership in the West High Choir is an honor sought by most vocal music students. Wearing their blue robes and gold stoles, they are always busy providing music for the school. Their presentation of "The Messiah" and their Singing Christmas Tree have become traditional at West High.

Providing music at the Board of Education building during the Christmas season was the West High Choir.

WESTERNERS, HI LARKS

Talented vocal music students at West may become members of the WESTERNERS. Singers in this mixed ensemble are chosen by audition. This group represents West in the community, performing for many civic and social groups, and at all of the West High vocal music concerts. They also participate in the district and state music festivals.

The HI LARKS, girls ensemble at West High, has been an important unit of the Music Department since the opening of school eight years ago. Chosen by individual audition, the girls have many singing engagements during the year. Requests for their programs come from civic clubs, churches, and school assemblies. Their singing in the music festivals has become traditional.

BAND

Every student at West has seen and heard the West High band at football and basketball games. In the fall, band members, under the direction of Mr. Charles Warren, work hard on marching routines and music for half-time shows at home football games.

During basketball season, a pep band helped provide enthusiasm at all host games. Besides these duties, the band learned and prepared symphonic music which they presented at their annual band concert in February.

Orchestra members prepare to get in the pit before Christmas Assembly.

ORCHESTRA

Providing good music is the goal of the West High Orchestra. Under the direction of Mr. Charles Warren, they spend the year learning and perfecting their musical techniques, and are often called upon to play for assemblies. In addition, they present concerts throughout the year with their major program being the annual "Coffee Concert" held in the cafeteria during the late winter months.

Koni Peninger, Robert Railey, and Diane Riley served as drum majorettes and drum major this year.

PIONEERS

MAKE NEWS

Head Line Coach J. D. Shouse built a tremendous line that played an important part in the success of this year's team.

This Pioneer line was rated by many to be the best in the city. Back row: Bob Norton, Terry Rapp, Marvin Manlove, Jeff Mattix, John Higgins. Front row: Ron Johnson, Bernie Rozell, Dave Smith, Hugh Gill, John Slate.

Bill Snell crashes through the Ark City line for three yards and a touchdown as the Pioneers whipped the Bulldogs 13-0 in the first game of the season.

PIONEERS RAMPAGE

The "Mighty Pioneers" this year notched their seventh straight winning season during a hard fought campaign that will be remembered for years as the season that had everything.

In the first game of the season, the Pioneers met their traditional opening game foes, the Arkansas City Bulldogs, at Arkansas City. West's defense showed promise of things to come in a 13 to 0 victory to kick off the campaign.

The next week West met their perennial cross-town rivals, the East Aces, at a rain soaked Veteran's Field. During the opening quarter, neither team could get anywhere in the drizzle and rain which continued throughout the game. In the second quarter the Pioneers scored three touchdowns for 19 points, then held the Airmen in the second half to win 19 to 13; thereby beating East for the third straight year.

On the following Friday, the Pioneers met a tough Chaplain Kapaun eleven and lost 14 to 7 in the beginning of what turned out to be a three-game losing streak. In the next two encounters West dropped before the then number two ranked Southeast Buffaloes, 27 to 7, and the Hutchinson Salt Hawks, 14 to 6.

Eddie Kriwiel once again led the Pioneers to a victorious season, his seventh in a row. He has gained the respect and admiration of the entire student body as well as that of every boy who has played under him.

Pictured above is the touchdown punch of the 1960 Pioneers. This group, whether running 30 yards for a touchdown or bulldozing through the line for a first down, supplied everyone with a lot of excitement. Back row: Farold Smith, Jerry Thornton, Bill Snell, Harley Catlin, Dave Taylor, Larry Maggard.

TO VICTORIOUS SEASON

It was beginning to look as if the tremendous Pioneer team had lost its spark, but in the following game, West racked up an impressive 26 to 0 victory over the South High Colonels to get back into the win column.

The victory was followed by a 13 to 7 win over Newton and a 28 to 7 victory in an afternoon game with ElDorado.

When the season's final game arrived, East was holding first place, but the West Pioneers still had to play the North Redskins for a share of the honors.

The students of West assembled at the school and marched to Lawrence Stadium for the season's finale in an enthusiastic show of spirit. As the game got underway, it became apparent that the rugged defense of both teams would spell the difference. After four quarters of sparkling play and inspired effort, the final score was 0 to 0, for a scoreless tie and a two-way tie for second place in the City League.

An ElDorado end is stopped short of a first down by two unidentified Pioneers. Coming up on the tackle are Farold Smith, Jerry Thornton, and Harley Catlin.

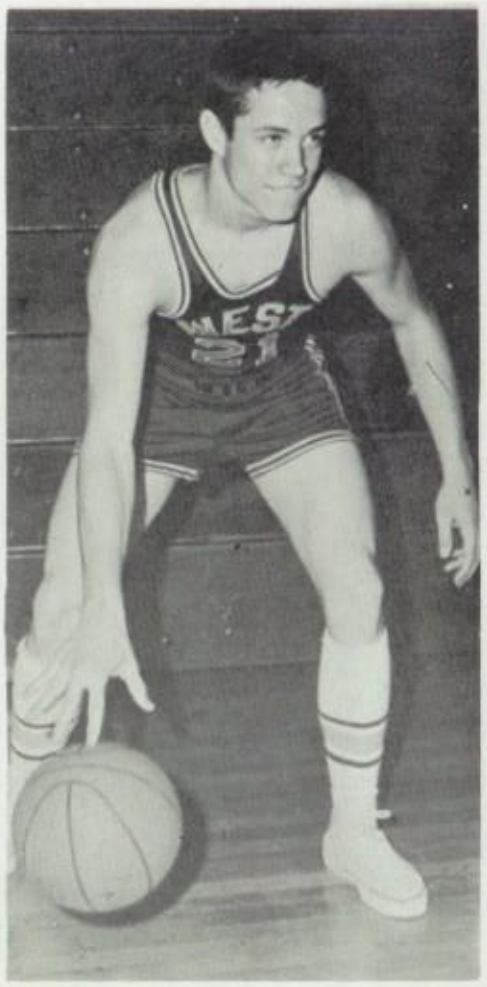
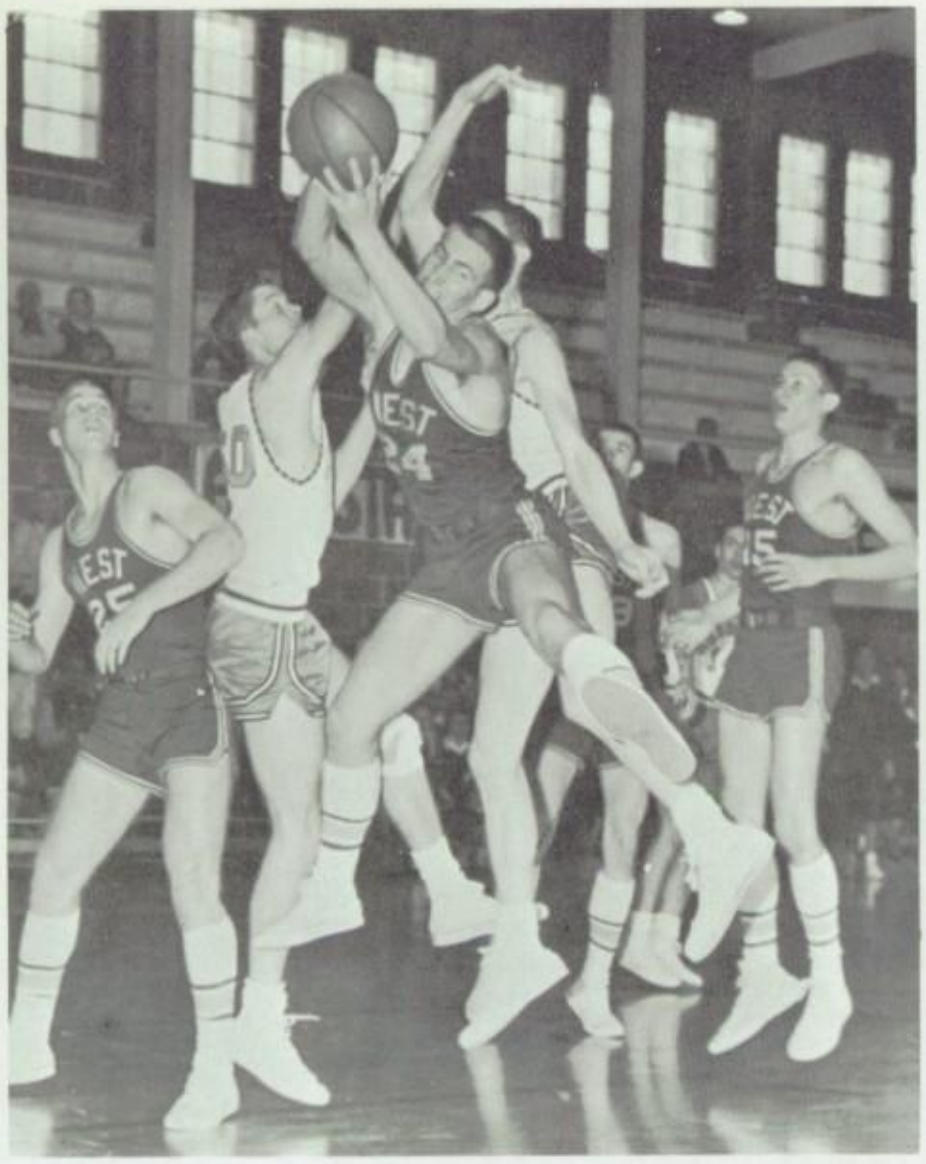
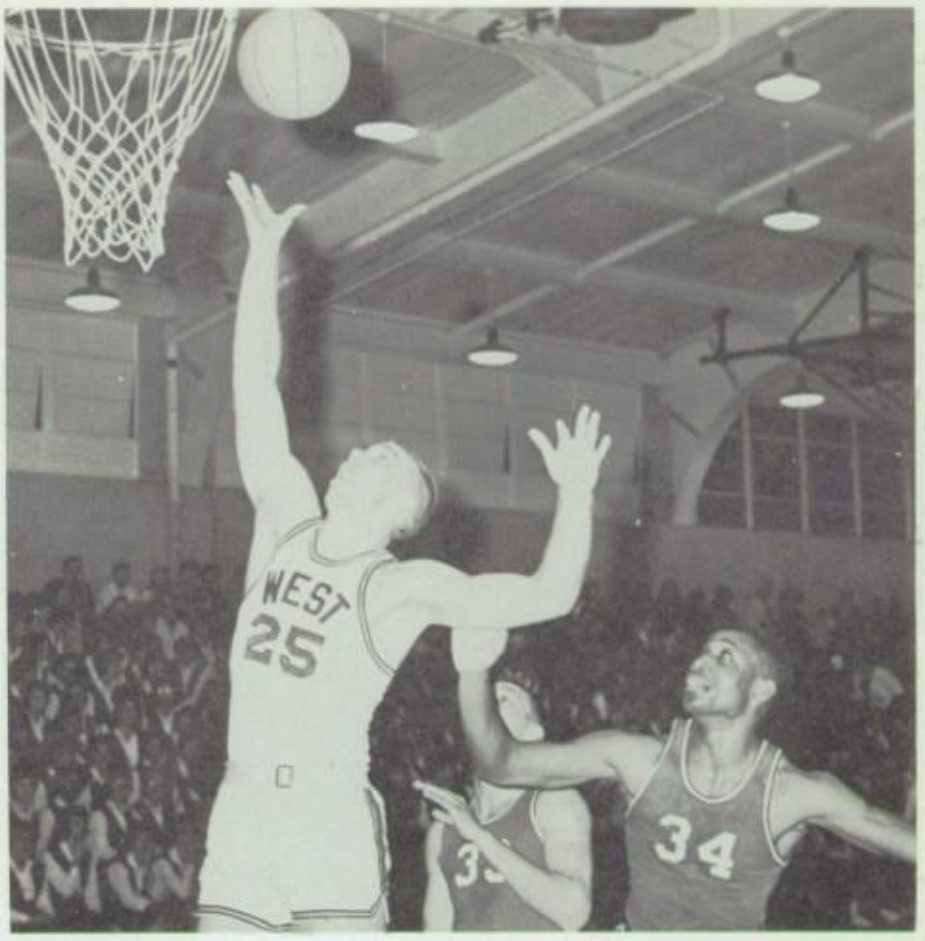
BILL MOORE



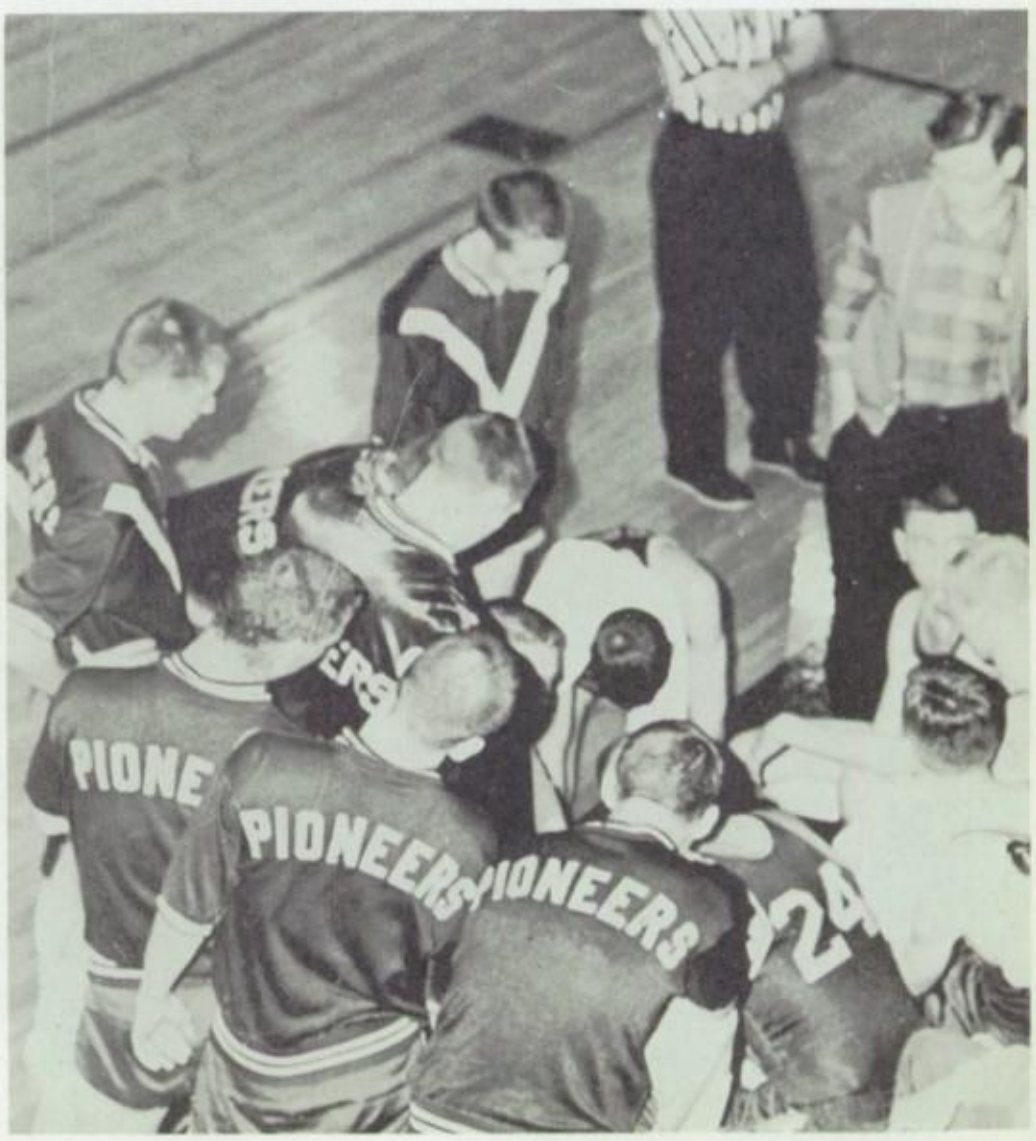


All-City Pick Harley Catlin hauls down another rebound in the Augusta game of the Regional Tournament. West took this game and third place by a score of 63-60.



Jerry Thornton, one of three All-City selections from West, lays in two points as West defeats ElDorado 50-39.

The Pioneers listen intently as coach Jim McNerney outlines the attack in the Winfield game, won by West 44-37.



Although the Pioneers came up with a 12 and 9 record for their first winning season in basketball in four years, they only took fourth place in the tough City League.

Guided this year by Coach Jim McNerney in his initial season at West, the Pioneer squad took third in their own invitational tournament and third in the regional tournament. The high point of the season was the upset of the number-one ranked North High Redskins by a score of 67 to 58.

This year's team had very little depth and was carried mainly by only five lettermen. Three of these were selected for the All-City team, giving West more men off the team than any other Wichita city school.

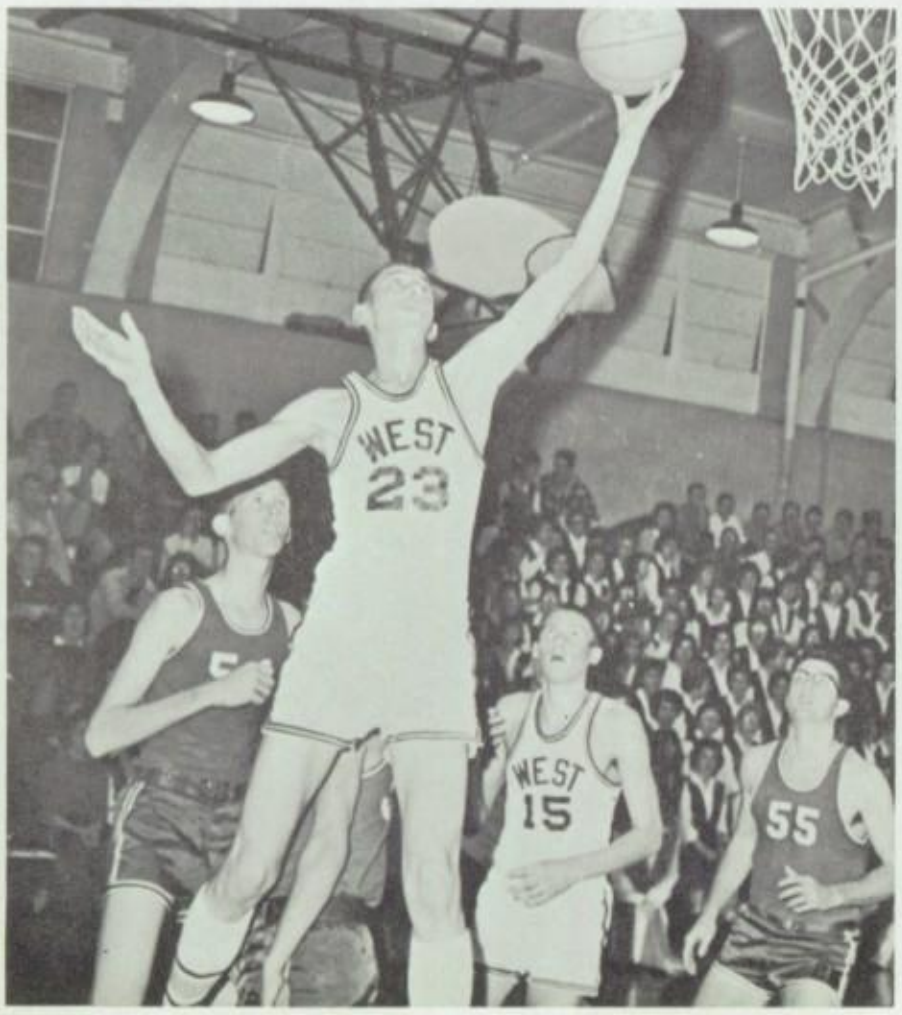
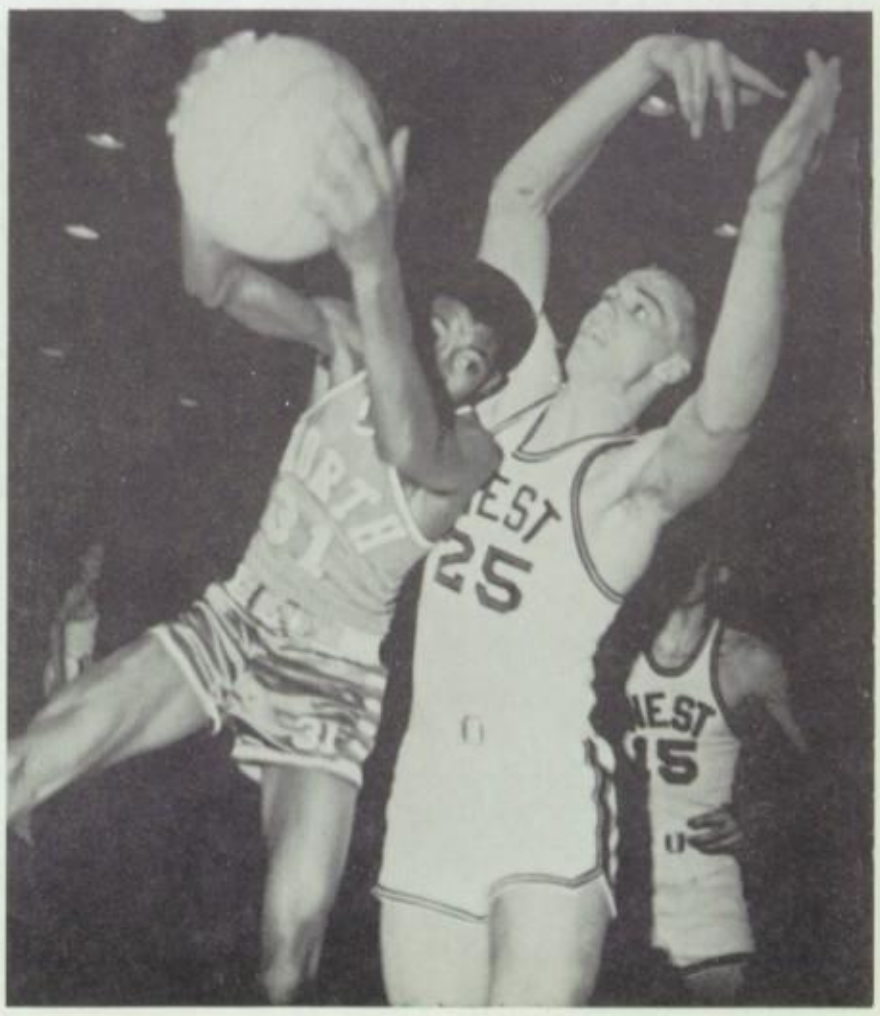
Don Deuel, top scorer for West and third in the city, drops in two points in the ElDorado game. West won this one 50-39.

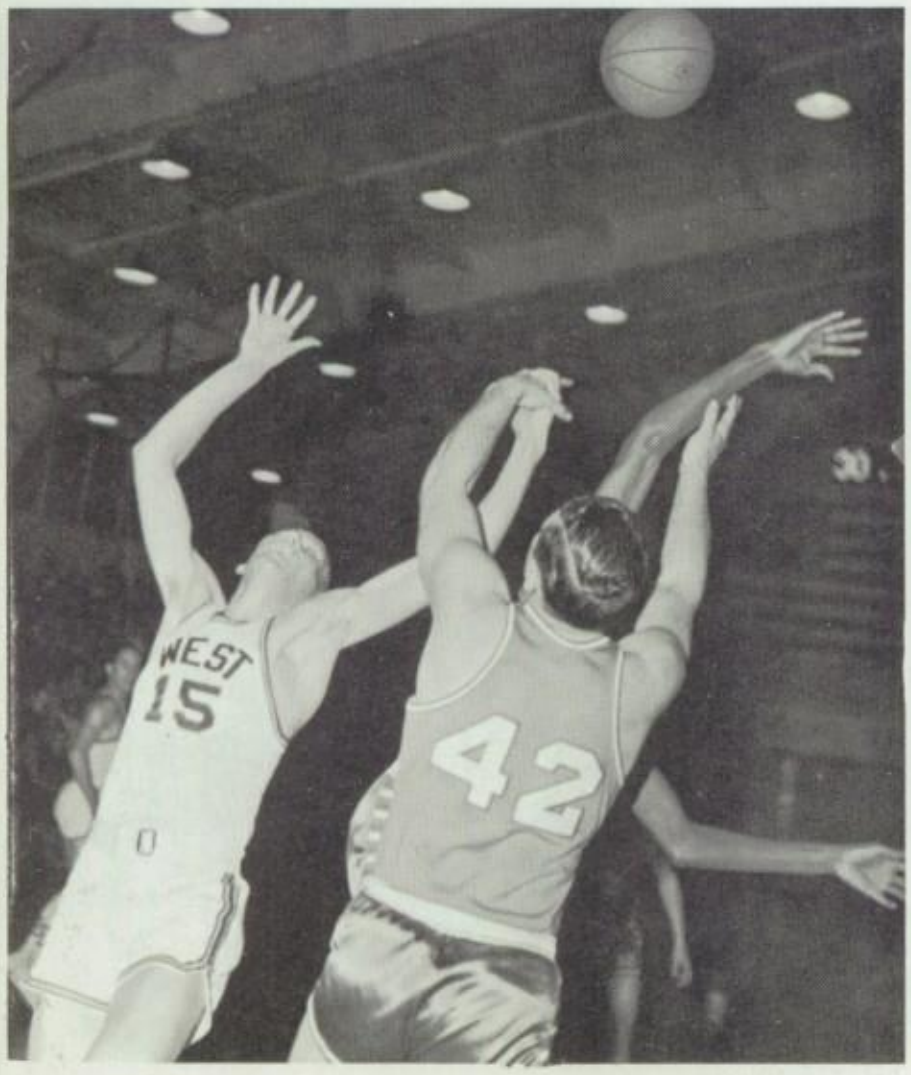


An unidentified North player seems to be getting instructions from Jerry Thornton as to where the ball should be. The Pioneers triumphed in this very important game by a score of 67-58.

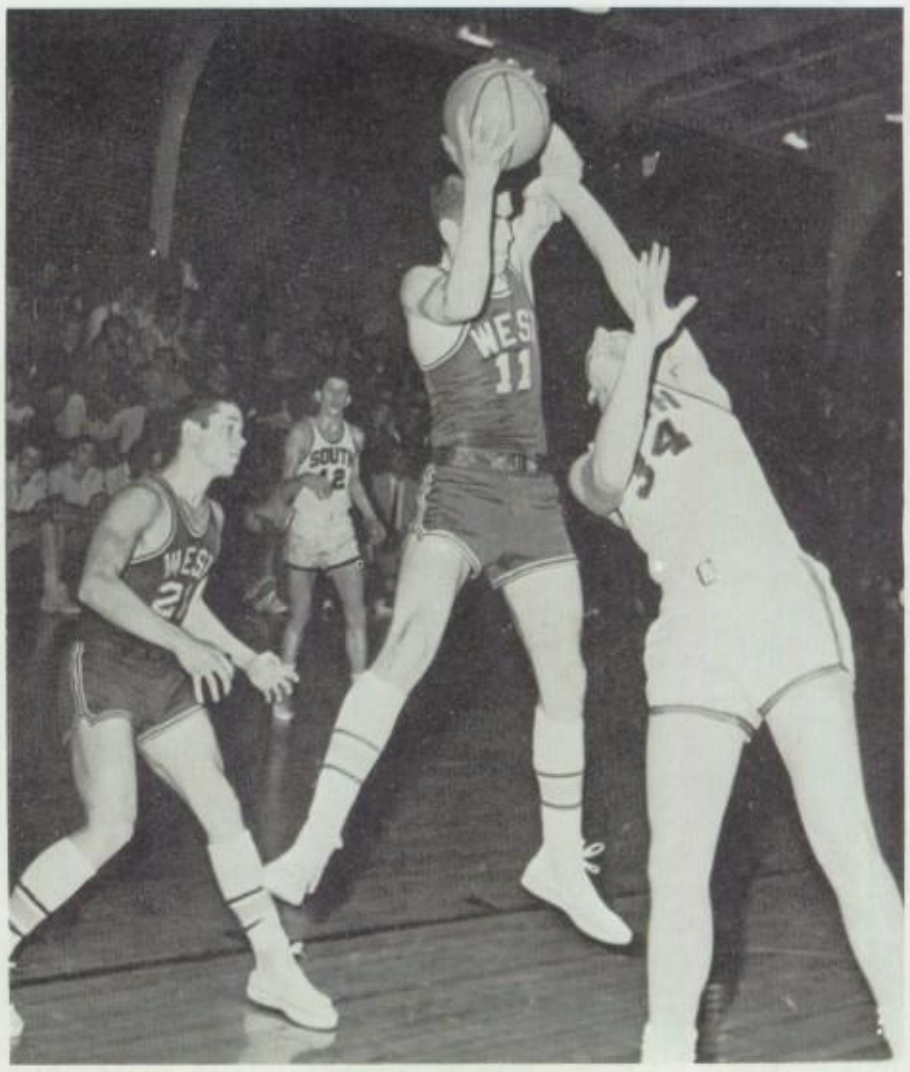


THE 1960-61 PIONEER BASKETBALL SQUAD
Back Row - Tony Avery, John Slate, Harley Catlin, Don Deuel, Jerry Thornton, Bob Norton, Coach Jim McNerney.
Front Row - Keith Hull, Phil Rhodes, Bruce Tandy, Bill Moore, Mike Phipps.

Bob Norton appears to be holding hands with a North Redskin as they battle for the ball.



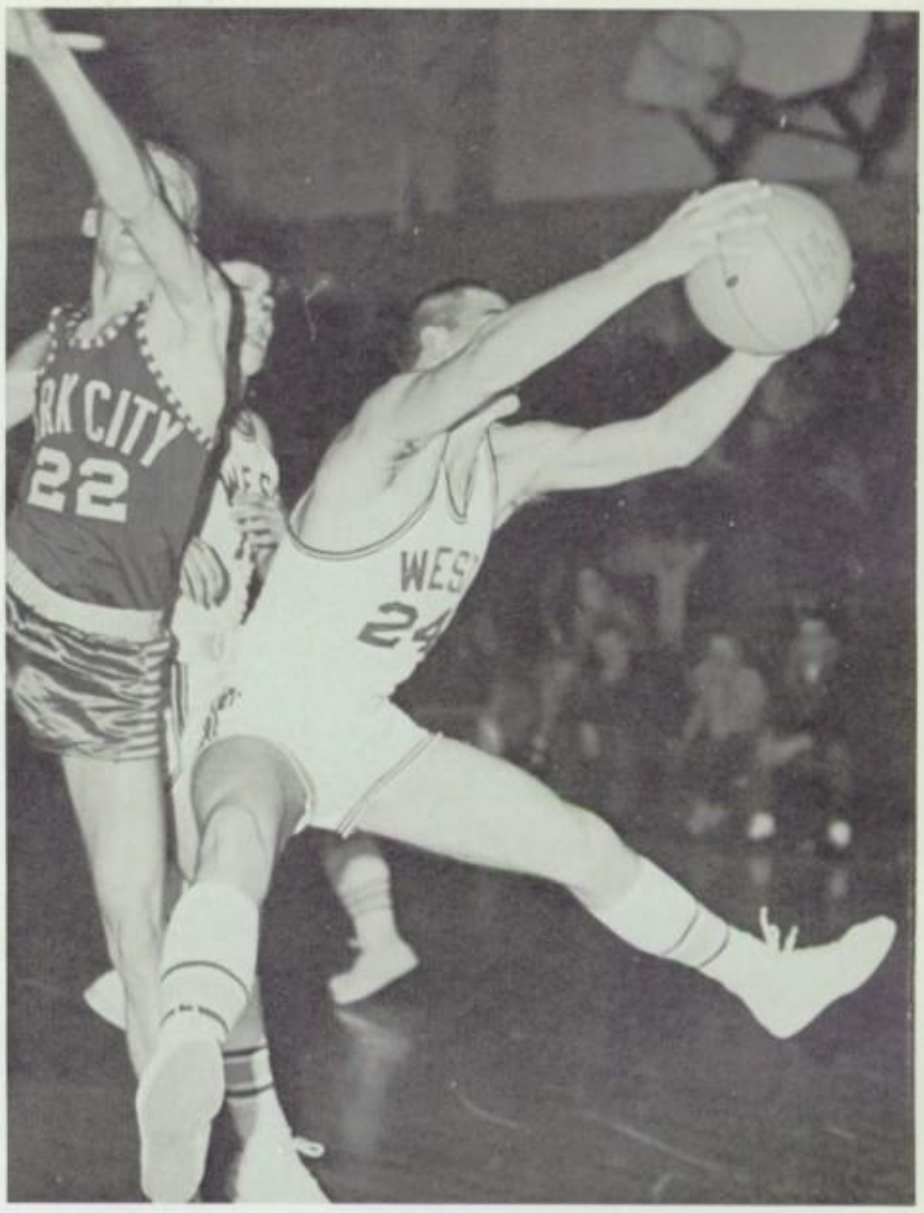
Mike Phipps grabs a rebound and hauls it down in the South game. Bill Moore looks very unconcerned as he watches nearby.



The Pioneer Sophomore squad this year started the season with two wins, over North and Campus, but could win only one game the rest of the season.

Back Row - Steve Mattley, Ronald Setchell, Bob Griswold, John Thomas, Mickey Mosier.

Front Row - Dennie Bretz, coach; Cliff Tarpy, Mike Kelly, Roger McDowell.



Demonstrating his rebounding prowess, Harley Catlin clears the area as he pulls down the ball during the Ark City game.

Bill Moore is seen driving for two points in the Southeast game. The tension of the game is mirrored in the grimace on his face.

Though they won only six games, the B-Squad provided many thrills to West High students this year, losing two games by only one point.

Second row: Fred Samuelson, manager; Dean Reep, Hugh Gill, Larry Secrest, Marvin Landwehr, Larry Maggard, Tim Healy, Eddie Kriwiel, coach.
Front row: Dan Reep, Jamie Iola, Harold Wylie, Tim Cunningham, Charlton McCall.

Coach Eddie Kriwiel's wrestling squad had a very successful season in 1960-61. The Pioneers posted a 5-3 won-lost record and qualified three men for the state meet. Consistent winners for the Pioneers were Bob Beehler, Dan Reep, Marvin Landwehr, and Tim Healy.

GYMNASTS WIN TWO

This year's gymnasts compiled only a 2-6 won-lost record, beating North twice. The brightest spot in the season was the outstanding performance of Jim Clifford. Jim went to the state meet and captured one first and one second place award.

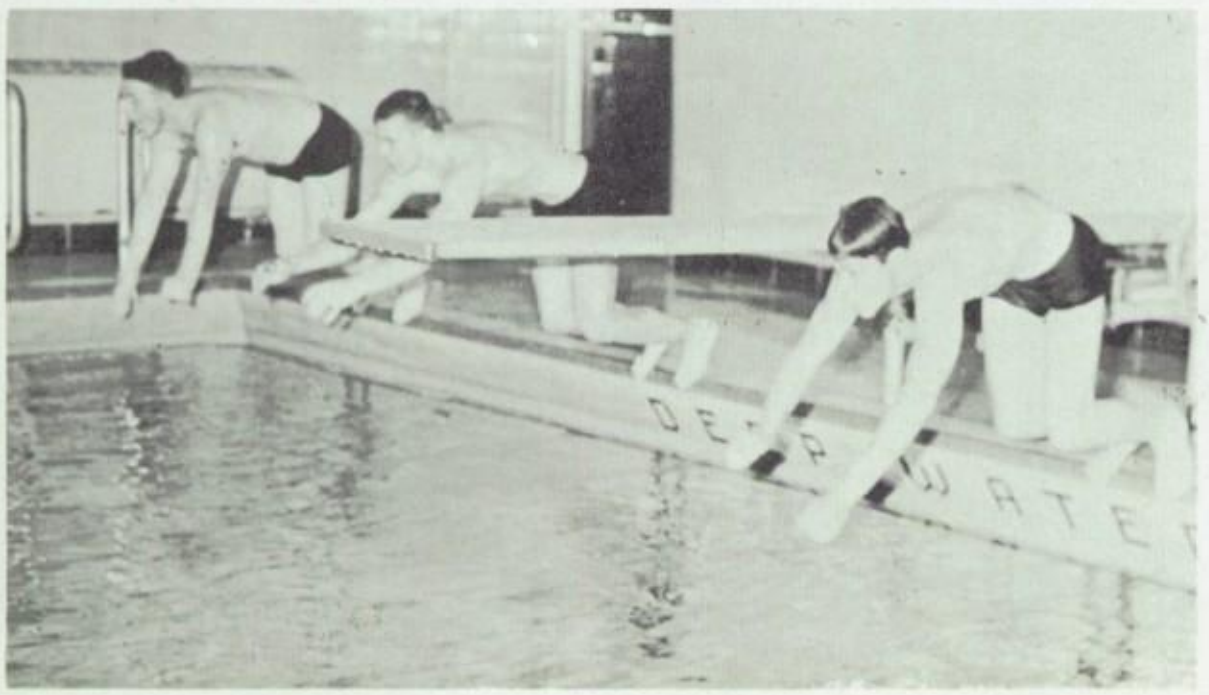
Row 1: Phil Hengen, Doug Sidles, Ed Helms, Ken Peebles, Riley Fowler.

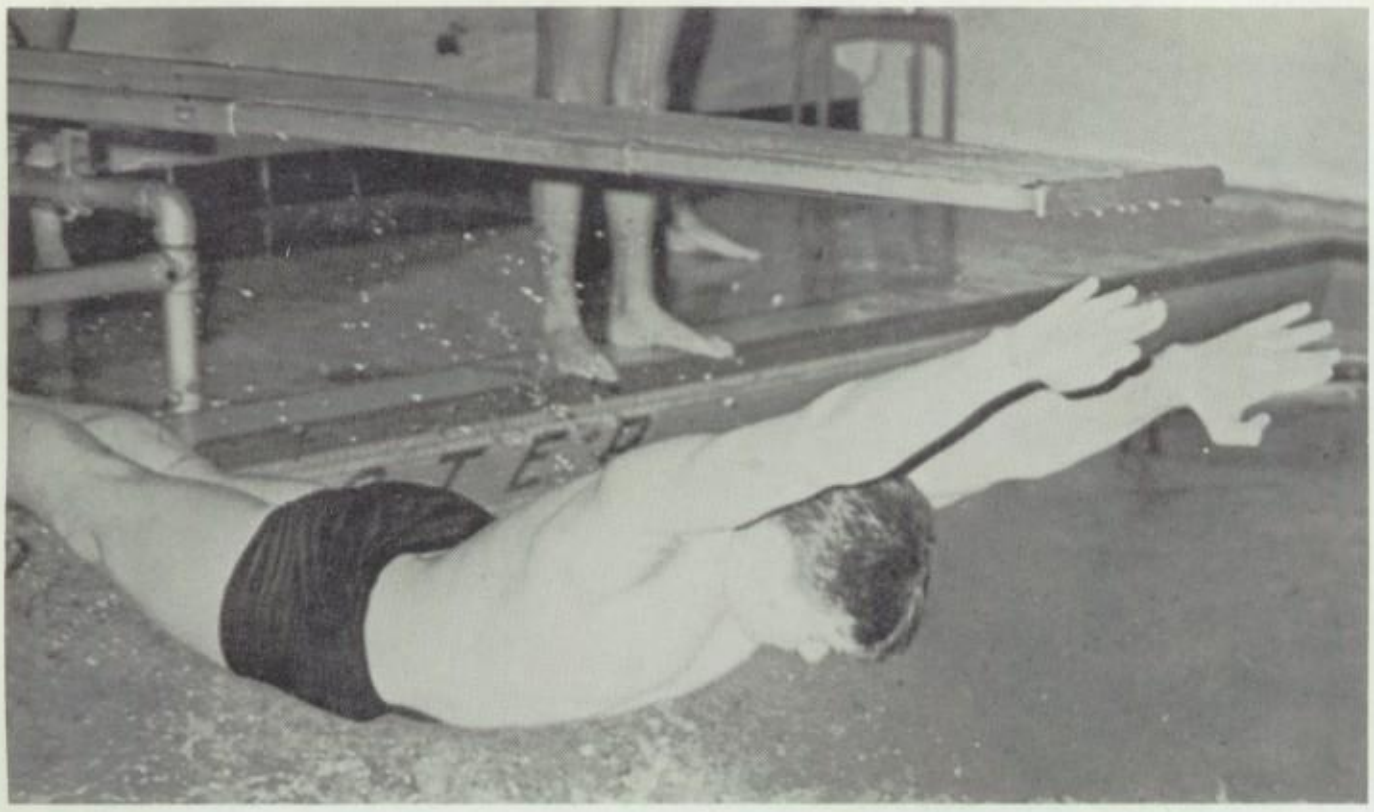
SWIMMERS HAVE SUCCESSFUL YEAR

Every member of this year's swimming team termed the season a success. With every man working hard, West made a good showing in all of its meets. There are high hopes for the 1961-62 season, since a majority of this year's team were juniors and sophomores. West High entrants who placed in the state meet were Phil Hengen, Doug Sidles, the free-style relay team, and the medley relay team.

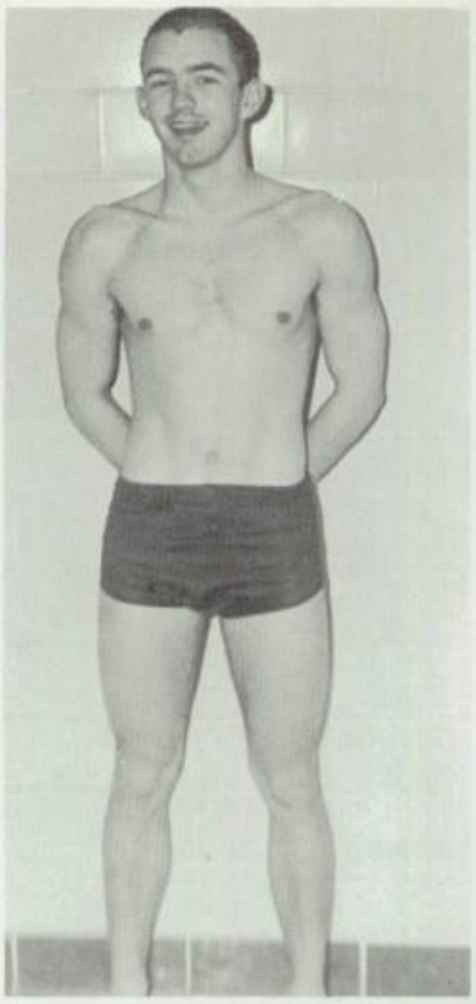
Ken Peebles, Phil Hengen, and Jim Dunn begin the first lap of a 400-yard free-style race. All three Pioneers were participants in the state meet this year.



J. D. Shouse is probably the "winningest" coach at West. Added to his impressive record as swimming coach is the fine success he has had in baseball.



Diving to a fast start in a free style race is Steve Redding.



Team captain Doug Sidles, shown above, consistently placed high in the city swimming meets this year, and qualified for the state meet.

Dennis Biggs is shown in the middle of a dive. Dennis handled most of the diving for West this year.

THREE GOLFERS RETURN

Since the squad is very large this year, picking six men for golf meets was a tough problem for Coach Sumner Roberts. However, the returning lettermen were expected to assume three of these berths. It looked as though Dave Reynolds will be the number-one man on the team, and may well be the top player in the city.

Coach Sumner Roberts shows Ronnie Springsteen the proper position for a drive as Doug Higbee takes a careful look.

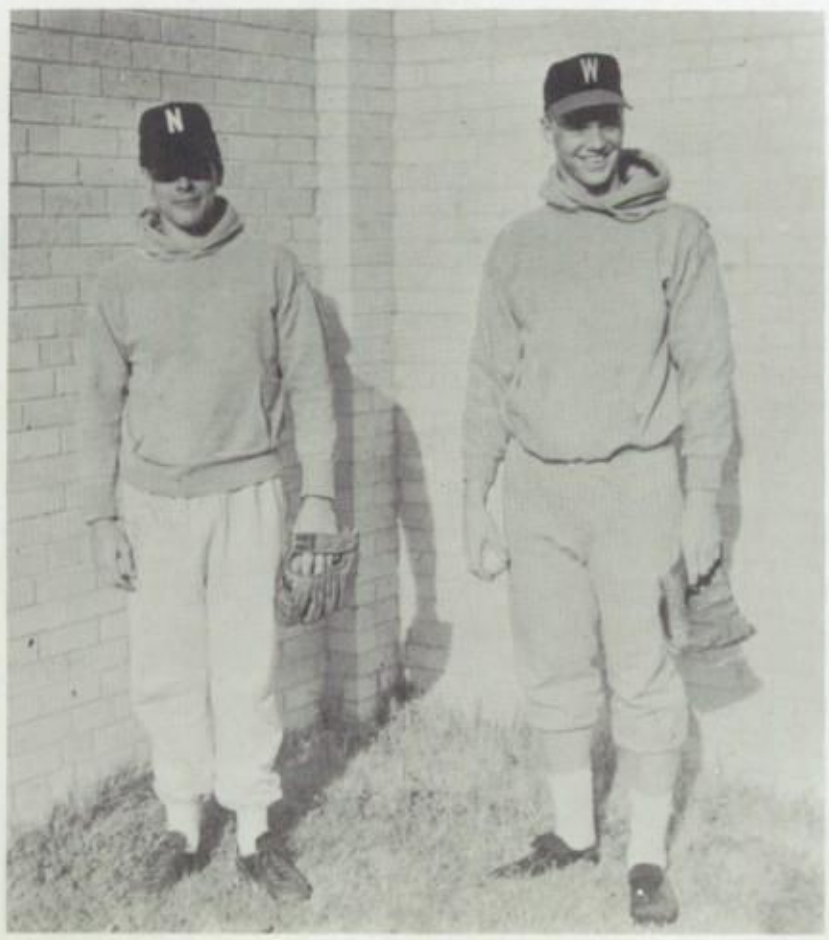
Harley Catlin and Bill Moore receive batting tips from Coach J. D. Shouse.

Pitching duties this year fell mainly on senior lettermen John Higgins and Farold Smith.

Harley Catlin again assumed the catching chores for the Pioneers this year.

Supplying some of the batting punch and defensive ability this year were lettermen Jeff Mattix, third base, and Jerry Thornton, center field.



Bill Moore, a letterman in his sophomore year, added experience and talent to the West infield. His double-play partner at first base, letterman Dave Taylor, is not pictured.

These are the boys who tried out for the Pioneer varsity baseball squad this year.
BACK ROW: Coach J. D. Shouse, Joe Maley, Steve Nobles, J. O. Bean, Ron Palmquist, Ron Dunson, Steve Maclaskey, Bob Thornton, Lester Dilts, Mike Coffman, Larry Brown.

ROW 2: Paul Donham, assistant coach, Larry Towns, Ken Pritchard, Bruce Tandy, Tony Bradfield, Mike Phipps, Tony Avery, Bill Moore, Pat Gates, Albert West.
ROW 1: John Slate, Jeff Mattix, Hugh Gill, Jerry Thornton, Harley Catlin, Farold Smith, John Higgins, Mike Kemmerer.

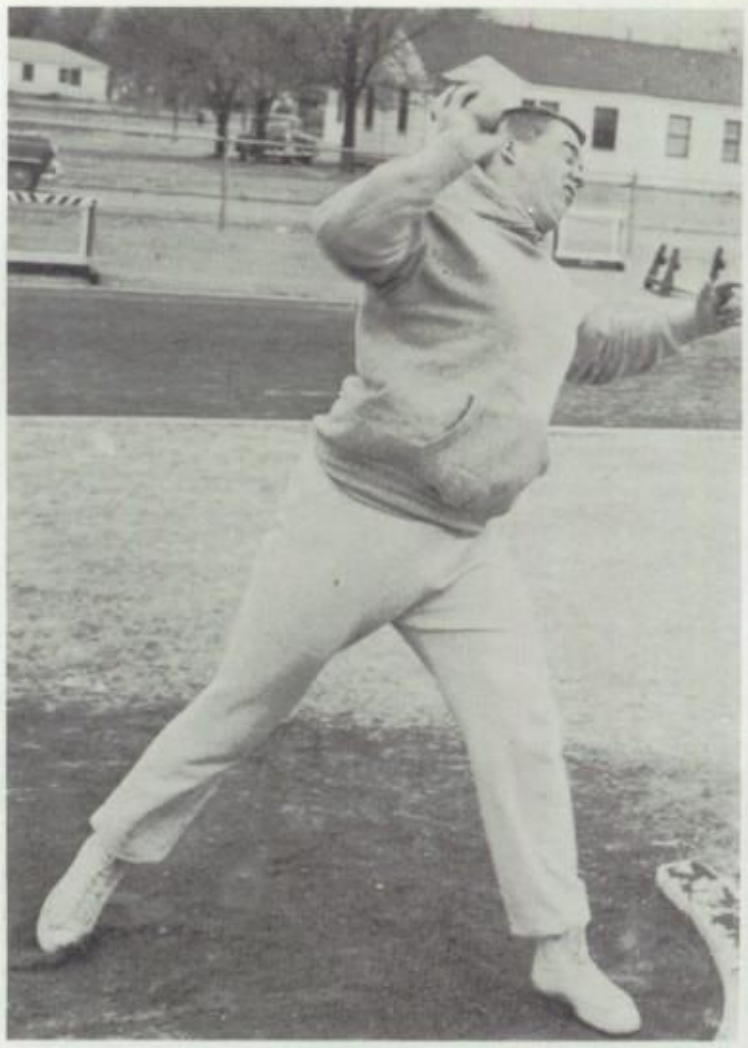
SEVEN RETURN FOR BASEBALL

In his fourth year as coach of the Pioneer baseball team, J. D. Shouse will be hoping to continue his successful record. With seven lettermen back, this year's team was in serious contention for city, regional, and state champions.

Ken Pritchard crosses home plate after belting a home run in the West-Kapaun practice tilt.

A Pioneer sends the ball on a long trip during a practice game. The ball is just above and to the left of the batter.

Tim Cunningham is shown on the descent after a successful vault during practice.

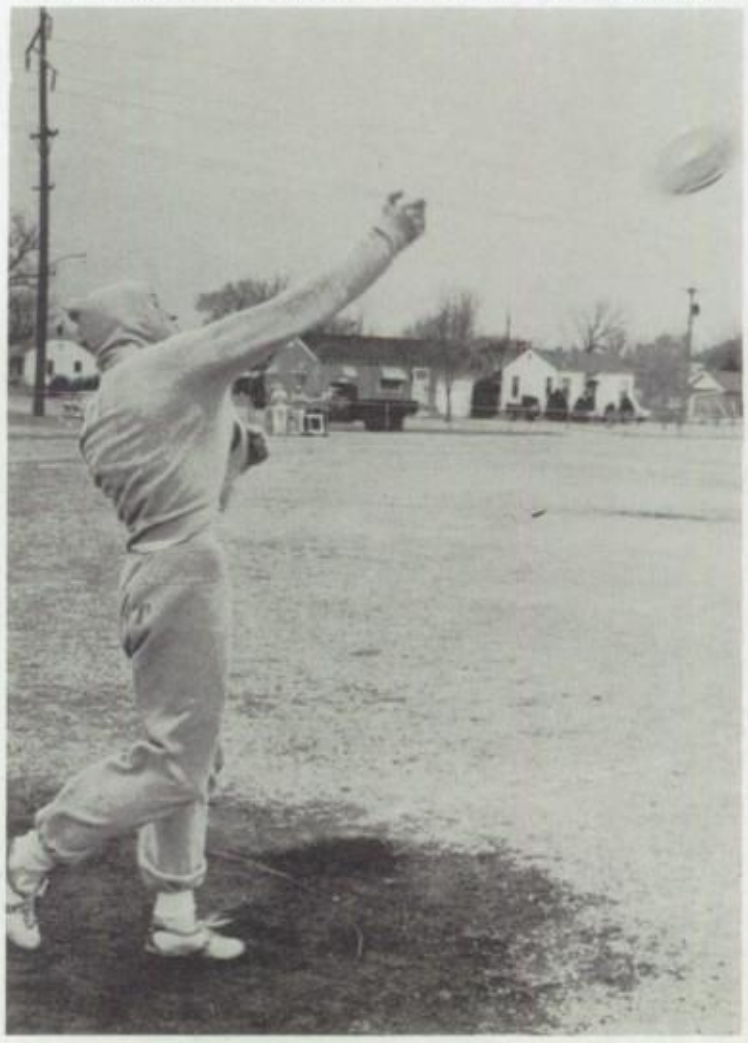


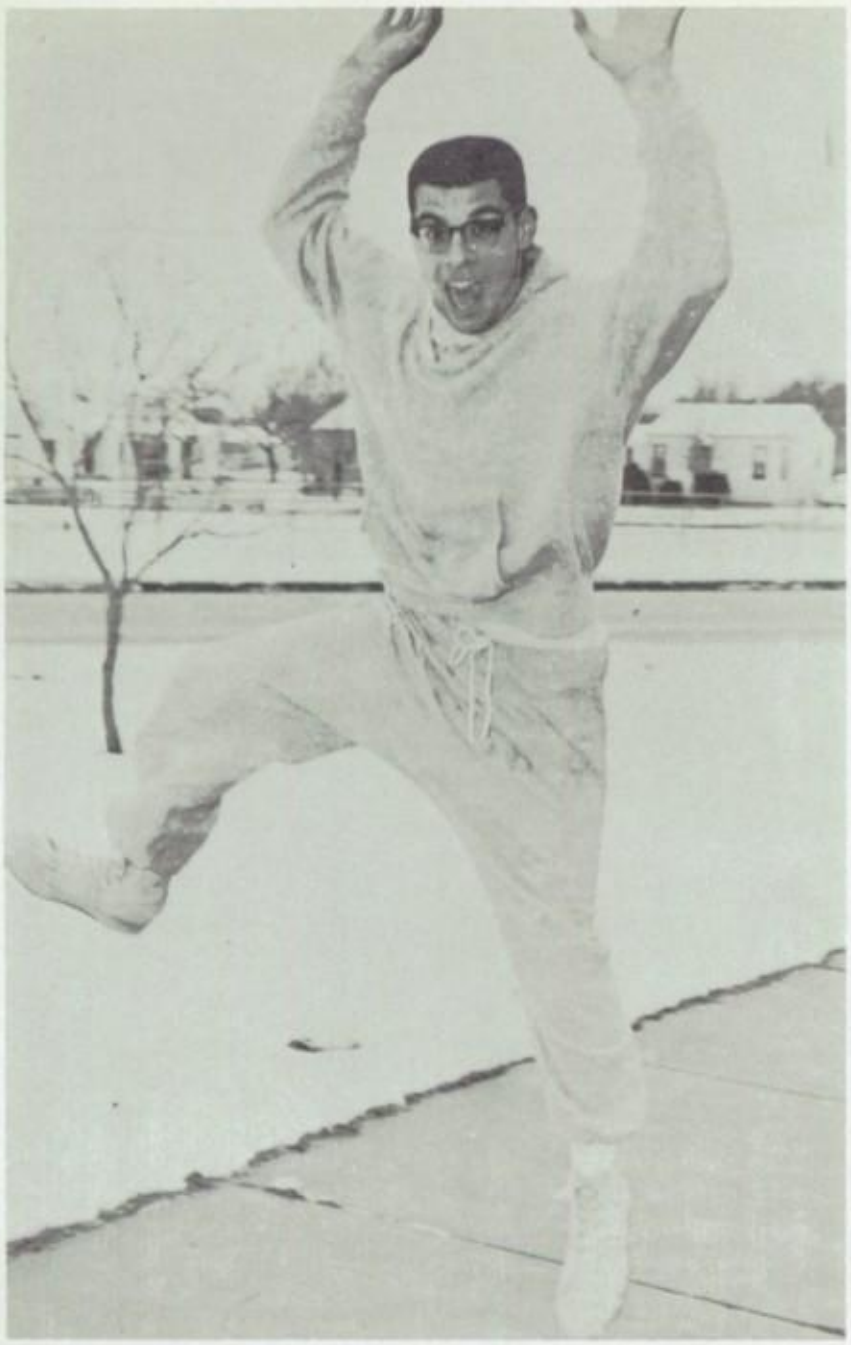
The strain of competition can be seen on Tim Healy's face as he hurls the shot to what he hopes is a record distance.

TRACK TEAM LACKS EXPERIENCE

Kerry Good practices his high jump form despite the wet, cold weather.

Jeff Taylor displays his form in the discus throw.





Bob Peck gets set to take off on a broad jump, despite the cold, snowy weather.

Tom Steventon, West's only returning track man, heaves the javelin to a near record distance in a practice session.

TRACK VARSITY

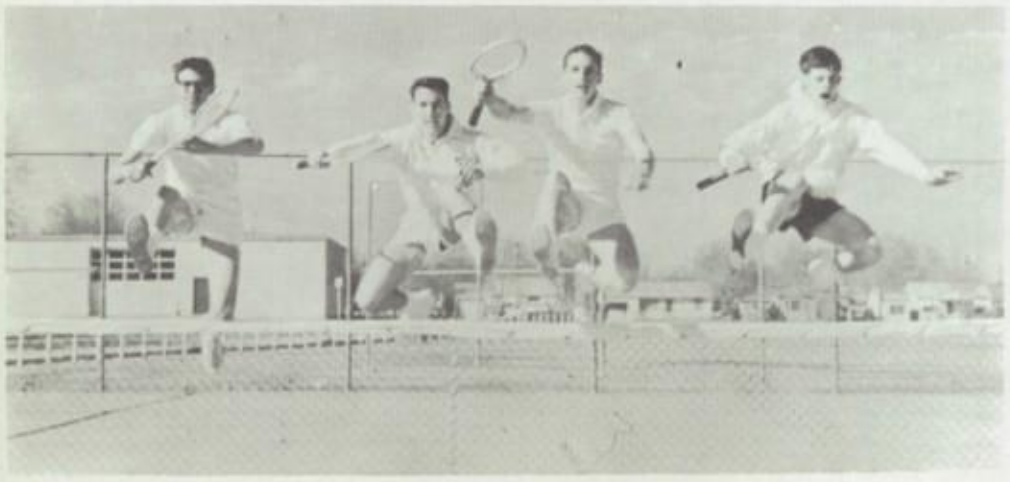
Back Row: Jim Thomas, Jim Walker, David Hamm, Steve Bauman, Ernest Reynolds, Terry Brandon, Jim Morris, Ron Setchel, Roger McDowell, John Maskrid,
Row 2: Tim Healy, Dan Reep, Keith Hull, Ken Peebles, Jerry Watson, Tim Callison, Alfred Elvin, Jeff Taylor, Phil Hengen, Jim Tarpy, Lannie Mai, Robin Bailey, Larry Palmer, Tom Steventon, Jack Kirschbaum.
Row 1: Larry Setser, Pat Schetrompf, Larry Smith, David Roulston, Bob Peck, Arnold Steventon, Tim Cunningham, Jim Albertson, Roy Gibson, Bill Decker, Estil Ray.

These are the 1961 tennis hopefuls. From this group, the final varsity team was chosen.
Back row - Harvey Miller, Ed Weippert, Dana Winkler, Mike McClard, Jim Fassnacht, Loyde Keith, David Anderson.
Row 2 - Gene Owens, Larry Wacker, Elliot Blevins, Ken Davidson, Tom Schisler, Lee Bonser, Irwin Laird.
Row 1 - Don Blevins, Merven Spencer, Bob Dudey, Ronald Steventon, Paul Jackson, Bob Latta, Robert Smallwood, Dennie Bretz, coach.

TENNIS PROSPECTS BRIGHT

The Pioneer netmen had designs on a winning season this year, and with four returning lettermen, the chances were bright. As seems to be true of other spring sports, there are many underclassmen out for the team. Coach Bretz did not make any predictions, but he was sure that there was to be an improvement over last year's team.

These four Pioneers, all lettermen, lead the West High team this year. They are Loyde Keith, Gene Owens, Mike McClard, and David Anderson.



Coach Dennie Bretz shows Ed Weippert and Don Blevins the proper way to begin a successful serve.

These West High girls seem just as determined and forceful as the varsity squad as they fight for a rebound.

After school, many girls participate in volleyball games. Here Delores Taylor seems to be doing a ballet step as she returns the ball.

ACTIVITIES HIGHLIGHT GYM

Any girls who are especially interested in athletics may participate in extra-curricular GIRLS' SPORTS. These girls practice after school and compete with girls' teams from other schools in "sports days" during the year.

Candy Toews receives a handshake from Charlotte Gilbert after the match in which Candy won the girls' tennis championship at West.

A relaxing game of shuffleboard is often part of the activity in girls' gym classes.

Coach Sumner Roberts supervises a relay race in boys' gym. Relay races are a part of the daily agenda each Friday.

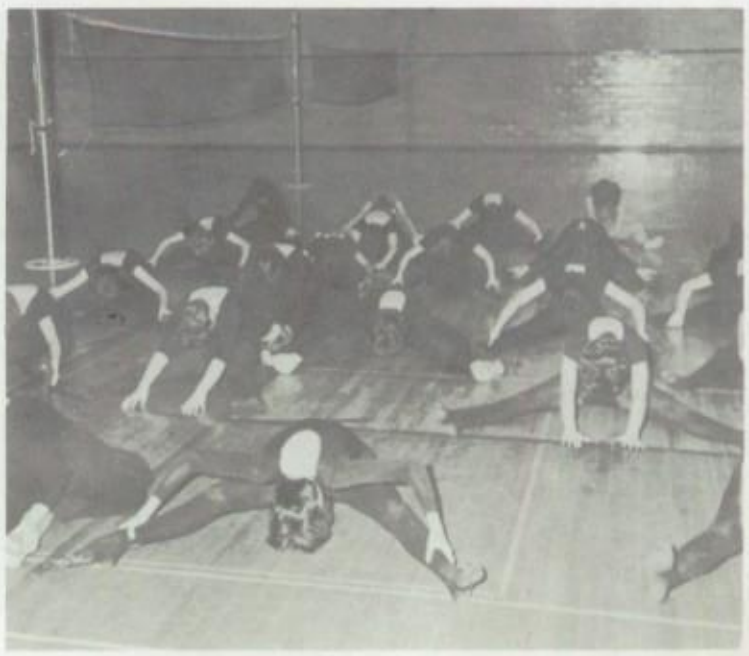
All sophomore and junior boys are required to take PHYSICAL EDUCATION. Joined by many seniors, they participate in sports and keep themselves in good condition.

Girls' gym classes are exposed to nearly every sport throughout the year. The girls in this picture are enjoying a game of volleyball.

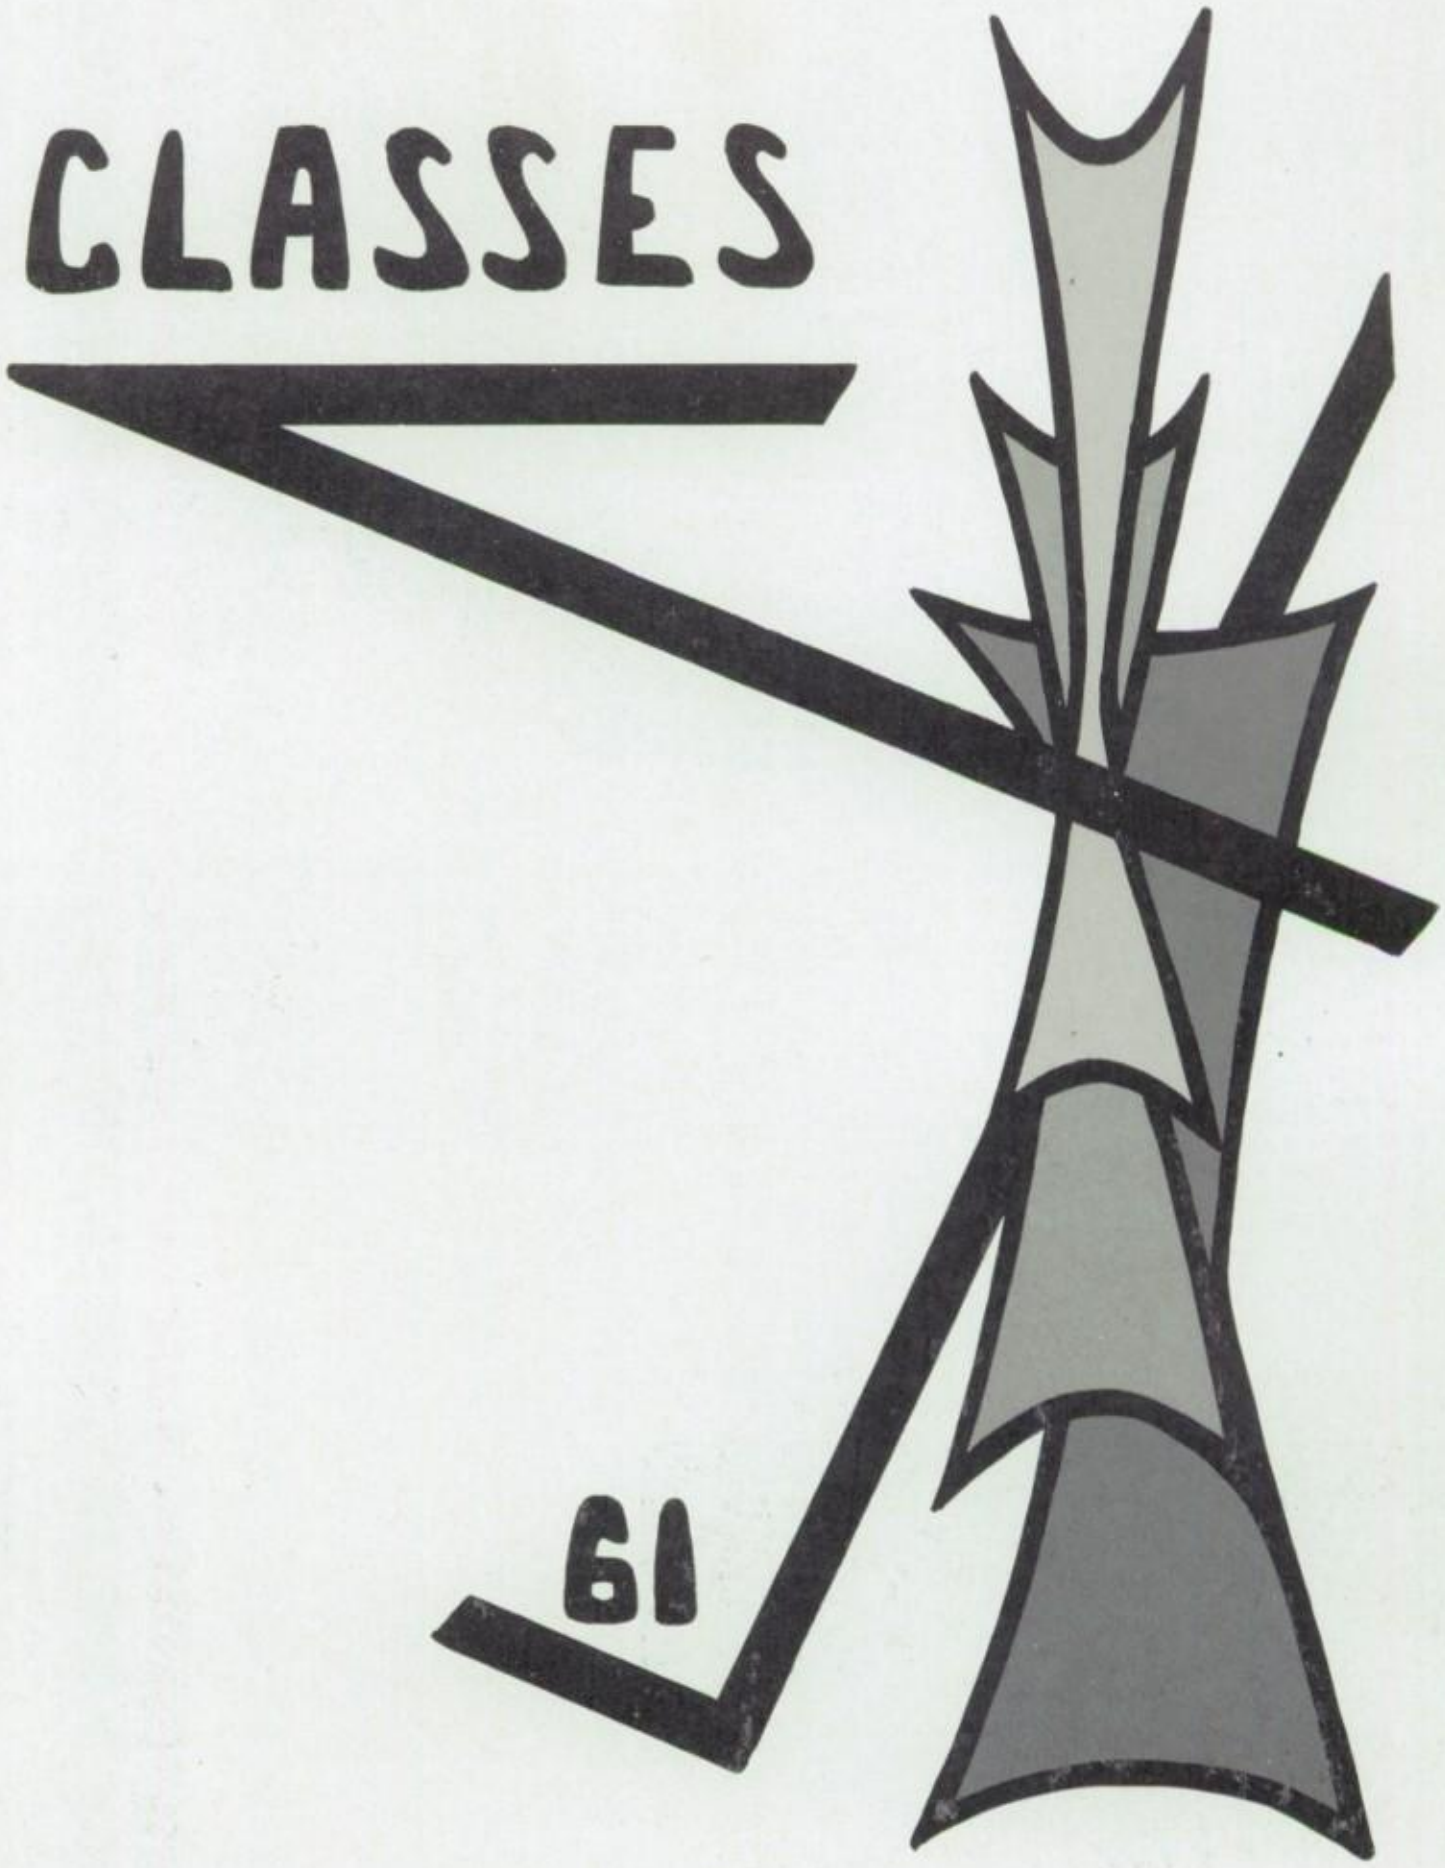
Athletics are not restricted only to boys at West. In the GIRLS' GYM CLASSES, the girls are given a chance to participate in many different sports and activities including swimming, volleyball, camping, modern dance, and many others.

Teaming up to get the ball are members of the gym class soccer teams.

One of the most popular courses in girls' gym is modern dance class. The girls shown here are limbering up for their lesson.



CLASSES



Selwa Eloussais, Judy Phipps, Pat Hill, Bentena Miller, Bev Schuler, and Kathy Lilly finally got their "morning shave" during the last pep assembly of the year.

The boys at West also learn the fundamentals of cooking and gain valuable experience in the finer qualities of entertainment through the Boys' Foods classes.

A small, but necessary, organization to West High students is the Usherettes. These girls provide a pretty sight as they hand out programs at all plays and concerts.

The school election campaign brought some unusual sights to West Halls as candidates paraded in their own behalf.

Mrs. Majel Nighswonger, homemaking teacher, demonstrates the correct techniques of rolling carrot strips to her food class.

Jerry Thornton, president; Mary Ishikawa, secretary-treasurer; and Dwight Sutton, vice-president of the Senior class are trying on their caps and gowns for the big moment of graduation.

With 340 classmates, each senior of 1961 entered his last year of high school.

Senior counselor, Mr. Harold Froning, and class sponsors - Mr. Robert Estill, Mrs. Verla Griffiths, Mr. George Hudson, Mr. Edward Kriwiel, Mrs. Anita Lusk, Mr. Jack Mason, Mr. James McNerney, Mr. James McQueen, and Mr. Charles Warren - gave much of their time helping the graduates-to-be in their many projects. These activities included the Christmas Dance, "Snow Ball," the Junior-Senior Prom, the Senior Banquet, the Senior Assembly, and the Senior play, " The Imaginary Invalid."

June 1 the class of '61 completed the year with graduation. Although memories will linger, the seniors anticipate whatever the future will hold as a challenge to be met.

A familiar sight before a game is the putting up of the booster posters from every imaginable place.

Coach Jim McNenery is carried on the shoulders of jubilant Pioneers after an upset victory over North High.

Graduating cheerleaders Candy Toews, Becky "Peanuts" Ilagan, Kay Hogan, and Mary Ishikawa look on happily as the cheerleaders of 1961-62 shed tears of happiness upon learning of their election.

Discussing a resource for junior research papers are class officers Koni Peninger, secretary-treasurer; Cathi Smith, vice-president; and Tim Healy, president.

Last fall 424 students entered their second year of high school at Wichita High School West.

After a year of becoming accustomed to procedures and traditions, they became juniors and settled down to nine months of activities, studying, and fun. Guided by the junior class sponsors - Miss Clarice Beaver, Mr. J. Ellis Jackson, Mr. Howard A. Johnson, Mrs. Janet Lowe, Mr. Sumner Roberts, and Miss Gladys Willis - they filled a busy year by putting on an assembly, "Fantoysia," helping to plan the Junior-Senior Prom, writing research themes, aiding sophomores, and participating in numerous activities.

In February they received their class rings; thus becoming full-fledged Pioneers. As the school year of 1960-61 draws to a close, the juniors can look back over the months with pride and toward their senior year with anticipation.

Supervising the finishing touches for the sophomore assembly are Teri Hawk, president; Kay Storey, secretary-treasurer; and Cheryl Brown, vice president.

The class of 1963 was the largest class at West this year with 509 students. With the sophomore counselor, Mr. Victor Wilmoth, and sponsors - Mr. James Curry, Mrs. Stella Hamilton, Mr. James Kemp, and Mr. John Shouse - the sophomores were ably aided in all their projects.

In the fall these students eagerly began their high school days. They joined Maroon and Gold Day clubs, campaigned furiously during the school elections, went to their first high school football game and still found time for long hours of study.

Their most important extra-curricular class project was to entertain the student body and faculty with an assembly, "The Case of the Missing Crum." A take-off on the popular T.V. show "Perry Mason," the cast displayed a wide variety of talent and an ability which will add to the success of West High.

Tom,
Lots of luck in the future!
Have fun!
to a swell senior.
Carol Ann Hand
'63

Tom,
I've really enjoyed
knowing you these
past two years in
band. Good luck in
whatever you doin the
future. I really had a
time on the band
picnic. Remember
Band and Mr. Warren!

Betty Atherton
'63

Don't listen to the band at Commencement (who does?)! Luck!
David Mack

Have fun the rest of your life. Best of luck you might need it.
Fred Kenaston

Tom; we've had a lot of fun the last two years. Good Luck in everything you do
Dana Winkler
"62"

Tom,
You are the most antagonistic Seniors that I have ever met.
(Just kidding)
Lucy McMullin

You a real swell fellow student in Botany class. Best of luck.
Nancy Adams

Best of Luck to a good guy! We've enjoyed meeting you in the cafeteria
Bill Reynolds
'62

Tom,
Well we've been through thick and thin together. It's been great knowing you these past few years. Best of luck always and I hope you become an Admiral real soon. Keep up the good work on the new S-D.
Bob Tagin '62

well Tom, its been a good year in most classes, all but one anyway. and since I don't believe in wasting paper, and I can't spell anyway, I'll just make this real short. I hope you blow up a storm
Lewis Walk

Best of Luck
to a real nice
guy
Donell Foster
"61"

Tom:
Im sorry I had to
beat you in that
last botany test.
maby you will have
more luck in the
future. I hope so.
Your friend allways,
John
Friedsburg.
"62"

Lots
Tom, Much
I always
Luck and Best
Always

Tom
It's been real
swell knowing you.
You're a real good kid and the
best of luck always.
Larry Wacker

Tom-
It was a pleasure beeing in
band with you last year. I think
you are pretty good on that horn
and so does Weisen, I think.
Good luck always
Billy Wycoff
"61"

Tom-
I sure hate leaving this ol'
school, I've really enjoyed
French with you, especially
our Cast skits! - La Pig Olympics"
Be good & best of luck to a real
swell guy.
Jim Clifford

To a Good ol' Basketball
(Bad)
Player
Lots of luck in the Years
to come.
Jim Preston
"62"

Tom,
Been nice knowing
you this year.
Look me
need it!)
